Article 1: Continuing Care

Overview

This article makes changes to various continuing care provisions and to MA estate recovery and spousal impoverishment provisions.

Section

- 1 Additional notice to applicants.** Adds § 62V.055. Requires the MNsure board, in consultation with the commissioner of human services, to include in the combined application for MA, MinnesotaCare, and qualified health plan coverage available through the MNsure portal, information and notice on: (1) the order in which eligibility for health care programs will be determined; (2) that persons eligible for MA are not eligible for MinnesotaCare, and that persons eligible for MA or MinnesotaCare are not eligible for advanced premium tax credits and cost-sharing subsidies; and (3) that the state may claim repayment from the estates of MA enrollees, for the cost of medical care or premiums paid for that care.
- 2 Exceptions for replacement beds after June 30, 2003.** Amends § 144A.071, subd. 4c. Moves payment rate adjustments for certain exception projects approved by the commissioner of health from the property rate to the external fixed costs rate. Modifies a project in Goodhue County to consolidate two nursing facilities into one newly renovated 64-bed facility resulting in the delicensure of 85 beds (the current language results in the delicensure of 69 beds). Modifies the calculation of the rate adjustment for the project in Goodhue County.

Section

Makes this section effective for rate years beginning on or after January 1, 2017, except that the transfer of the rate adjustment for the Goodhue County project from the property rate to the external fixed costs rate is effective for rate years beginning on or after January 1, 2017, or upon completion of the closure and new construction, whichever is later.

- 3 **Consolidation of nursing facilities.** Amends § 144A.071, subd. 4d. Modifies rate adjustments for consolidation of nursing facilities by moving the adjustment from the property rate to the external fixed costs rate. Makes this section effective for rate years beginning on or after January 1, 2017.
- 4 **Moratorium exception funding.** Amends § 144A.073, subd. 13. Clarifies that the commissioner of health may approve moratorium exception projects, in fiscal year 2013, for which the full annualized state share of MA costs does not exceed \$1,000,000 plus any carryover of previous appropriations for this purpose.
- 5 **Moratorium exception funding.** Amends § 144A.073, subd. 14. Clarifies that the commissioner of health may approve moratorium exception projects, in fiscal year 2015, for which the full annualized state share of MA costs does not exceed \$1,000,000 plus any carryover of previous appropriations for this purpose.
- 6 **Moratorium exception funding.** Amends § 144A.073, by adding subd. 15. In fiscal year 2017, allows the commissioner of health to approve moratorium exception projects for which the full annualized state share of MA costs does not exceed \$1,000,000 plus any carryover of previous appropriations for this purpose.
- 7 **Nursing homes and certified boarding care homes.** Amends § 144A.611, subd. 1. Modifies reimbursable expenses payable to nursing assistants by: (1) adding textbooks to the list of reimbursable expenses; and (2) allowing adult training programs to be reimbursed. Updates a cross-reference.
- 8 **Reimbursement for training program and competency evaluation costs.** Amends § 144A.611, subd. 2. Makes a conforming change.
- 9 **Reimbursement for adult basic education components.** Amends § 144A.611, by adding subd. 4. Paragraph (a) requires nursing homes and certified boarding care homes to provide reimbursement for costs related to additional adult basic education components of an approved nursing assistant training program.

Paragraph (b) lists the adult basic education components eligible for reimbursement and limits reimbursement of those components to 30 percent of the cost of tuition, textbooks, and competency evaluation.

Paragraph (c) prohibits an adult training program from billing program students, nursing facilities, or certified boarding care homes until the program student has been employed by the nursing facility as a certified nursing assistant for at least 90 days.
- 10 **Effective date.** Makes this section effective for costs incurred on or after October 1, 2016.
Additional notice to applicants. Amends § 256B.042, by adding subd. 1a. Requires applications for MA to include a statement, prominently displayed, that the state may claim

Section

repayment from the estates of MA enrollees for the cost of medical care or premiums paid for care.

- 11** **Asset availability.** Amends Minnesota Statutes 2015 Supplement, § 256B.059, subd. 5. Allows an institutionalized spouse to maintain medical assistance eligibility when excess assets owned by the community spouse are retirement funds or funds protected for post-secondary education of a child under age 25. Provides that the retirement accounts are protected until the community spouse is eligible to withdraw funds without penalty. Requires that denial of eligibility must cause an undue hardship to the family. Provides that there shall not be an assignment of spousal support or a cause of action against the spouse for funds protected in retirement and college savings accounts.
- Effective date.** Provides a June 1, 2016, effective date.
- 12** **Estates subject to claims.** Amends § 256B.15, subd. 1a. Limits claims against the estate of a person over 55 years of age who did not receive institutional services to the amount of medical assistance correctly paid on behalf of the individual prior to January 1, 2014. Clarifies that claims against the estates of individuals age 55 or older who received nursing facility services, home and community-based services, or related hospital and prescription drug benefits on or after January 1, 2014, are allowed.
- Effective date.** Provides that this section is effective upon federal approval and applies retroactively to services rendered on or after January 1, 2014.
- 13** **Amending notices or liens arising out of notice.** Amends § 256B.15, by adding subd. 11. Instructs state agencies to amend notices of potential claims and liens for notices filed on or after January 1, 2014, for medical assistance services provided to individuals age 55 and older who were not institutionalized.
- Effective date.** Provides that this section is effective the day following final enactment.
- 14** **Limitations on claims.** Amends § 256B.15, subd. 2. Paragraph (a) adds language to clarify that this paragraph applies to services rendered prior to January 1, 2014.
- Paragraph (b) provides that claims for services rendered on or after January 1, 2014, must only include nursing facility services, home and community-based services, or related hospital and prescription drug benefits provided for individuals age 55 or older. States that claims must not include interest.
- Effective date.** Provides that this section is effective upon federal approval and applies to services rendered on or after January 1, 2014.
- 15** **Employee scholarship costs and training in English as a second language.** Amends § 256B.431, subd. 36. Updates a cross-reference to conform to the changes made to section 144A.611 (reimbursable expenses payable to nursing assistants).
- 16** **External fixed costs.** Amends § 256B.441, subd. 13. Adds consolidation rate adjustments to the definition of “external fixed costs.”
- 17** **Calculation of payment rate for external fixed costs.** Amends § 256B.441, subd. 53. Adds consolidation rate adjustments to the calculation of the external fixed costs payment rate.

Section

- 18 Nursing facilities in border cities.** Amends § 256B.441, subd. 66. Modifies the provision governing nursing facility operating rates in border cities. Under current law, the commissioner must increase operating payment rates for nonprofit nursing facilities in Breckenridge to be equal to the rates for a nonprofit nursing facility in an adjacent city in another state and in cities contiguous to the adjacent city. Expands this provision to nonprofit facilities located in Moorhead, effective for the rate year beginning January 1, 2020.
- Specifies that the commissioner must compare the rates in Minnesota border cities with other cities on October 1 each year, with the rate adjustments to be effective on January 1 of the following year.
- Existing language stipulates that rate adjustments under this border city subdivision are not subject to the limits in 256B.441, subdivision 50 and subdivision 51. Clarifies that the rate adjustments under the border cities subdivision are not subject to the total care-related limit in subdivision 50 and are not limited to the other operating price in subdivision 51.
- 19 Employment services pilot project; Dakota County.** Paragraph (a) directs the commissioner of human services to request, by October 1, 2016, necessary federal authority from CMS to implement a community-based employment services pilot project in Dakota County for people who are receiving services through HCBS waivers using a rate methodology consistent with the principles of the Disability Waiver Rate System.
- Paragraph (b) lists responsibilities of Dakota County under the pilot project.
- Paragraph (c) lists the services that must be provided under the pilot project.
- Paragraph (d) requires the commissioner to consult with Dakota County on this pilot project and to report the results of the project to the legislature by January 15, 2019.
- Effective date.** Makes this section effective July 1, 2016, or upon federal approval, whichever is later, and makes this section expire January 15, 2019.
- 20 Revisor's instruction.** Instructs the revisor of statutes to change cross-references in Minnesota Rules, chapter 2960, 9503, and 9525, resulting from the repealer adopted in the new Positive Support Strategies rule. Allows the revisor to make technical and other necessary changes to preserve the meaning of the text.
- Effective date.** Provides an immediate effective date.

Section

Article 2: Health Care

Overview

This article contains provisions related to Medical Assistance (MA) and MinnesotaCare. The article:

- requires DHS to fully implement the Office of Legislative Auditor's recommendations related to MA and MinnesotaCare eligibility determinations, and dedicates initial savings to a onetime long-term care provider rate increase;
- increases payment rates for certain ambulance services;
- provides MA coverage of services provided by community emergency medical technicians;
- provides coverage of stiripentol under the EPSDT program;
- exempts dentists providing services outside of the seven-county metropolitan area from the state health care program participation requirement;
- increases payment rates for dental services provided outside of the seven-county metropolitan area; and
- changes the method by which an increase in payment rates for durable medical equipment, prosthetics, orthotics, or supplies is implemented.

1 Improved oversight of MNsure eligibility determinations. Adds § 256B.0562.

Subd. 1. Implementation of OLA findings. (a) Requires the commissioner of human services to ensure that MA and MinnesotaCare eligibility determinations through the MNsure information technology system fully implement the recommendations of the Office of Legislative Auditor (OLA) in reports 14-22 and 16-02.

(b) Allows the commissioner to contract with a vendor for technical assistance in fully implementing the OLA report findings.

(c) Requires the commissioner to coordinate implementation of this section with periodic data matching.

(d) Requires the commissioner to use existing resources to implement this section.

Subd. 2. Duties of the commissioner. (a) Lists the OLA report recommendations that the commissioner must fully implement.

(b) Requires the commissioner to implement the OLA recommendations retroactively for MA and MinnesotaCare applications and renewals submitted on or after January 1, 2016. Requires the commissioner to submit quarterly reports to the legislative committees with jurisdiction over health and human services policy and finance that provide information on: (1) progress in implementing the OLA recommendations; (2)

Section

the number of applicants and enrollees affected by implementation; and (3) savings to the state. Requires the quarterly report submitted October 1, 2016 to include a timetable for full implementation of the OLA recommendations.

Subd. 3. Office of Legislative Auditor. Requires the legislative auditor to review each quarterly report for accuracy and review compliance by DHS with the OLA report recommendations. Requires the legislative auditor to notify legislative committee on whether or not these requirements are met.

Subd. 4. Special revenue account; use of savings. (a) Establishes a medical assistance audit special revenue account in the general fund. Requires the commissioner to deposit into this account all savings from implementing the OLA recommendations, and all savings from implementing periodic data matching that are above the forecasted savings.

(b) Requires the commissioner to provide a one-time payment increase to long-term care providers, once the balance in the fund is sufficient.

(c) States that further expenditures from the account are subject to legislative authorization.

Effective date. Provides an immediate effective date.

2 Payment for ambulance services. Amends § 256B.0625, subd. 17a. Effective July 1, 2016, increases MA payment rates for ambulance services by five percent, for ambulance service providers that: (1) have a base of operations located outside the seven-county metropolitan area, and outside Duluth, Mankato, Moorhead, St. Cloud, and Rochester; or (2) have a base of operations located within a municipality with population of less than 1,000. Requires capitation payments to managed care and county-based purchasing plans for ambulance services provided on or after January 1, 2017, to be adjusted to reflect the rate increase.

3 Community medical response emergency medical technician services. Amends § 256B.0625, by adding subd. 60a.

(a) Provides medical assistance (MA) coverage of services provided by a community medical response emergency medical technician (CEMT) who is certified by the Emergency Medical Services Regulatory Board under § 144E.275, subd. 7, when the services are provided according to this subdivision.

(b) Allows a CEMT to provide a hospital discharge visit when ordered by a treating physician. Specifies the criteria for a visit.

(c) Allows CEMTs to provide safety evaluation visits to individuals who have repeat ambulance calls due to falls, have been discharged from a nursing home, or have been identified by their primary care provider as at risk for nursing home placement. Requires the visit to be ordered by a primary care provider in accordance with the individual's care plan. Specifies criteria for visits.

(d) Requires CEMTs to be paid at \$9.75 per 15 minute increment. Provides that a safety evaluation visit cannot be billed for the same day as a posthospital discharge visit for the same recipient.

Section

Effective date. Provides that the section is effective July 1, 2017, or upon federal approval, whichever is later.

- 4 **Investigational drugs, biological products, and devices.** Amends § 256B.0625, subd. 64. Allows the EPSDT program to cover stiripentol for eligible enrollees with a documented diagnosis of Dravet syndrome, when all other available covered prescription medications have been exhausted, and if other criteria are met.
- 5 **Reimbursement under other state health care programs.** Amends § 256B.0644. Exempts dental providers providing services outside of the seven-county metropolitan area from the requirement that they participate as providers in MA and MinnesotaCare in order to participate as providers in the state employee health program, the public employees insurance program, and other programs of health coverage (Rule 101).
- 6 **Dental reimbursement.** Amends § 256B.76, subd. 2. Effective January 1, 2017, increases MA payment rates by 9.65 percent above the rates in effect on June 30, 2015, for dental services provided outside the seven-county metropolitan area. States that the increase does not apply to state-operated dental clinics, federally qualified health centers, rural health centers, and Indian health services. Effective January 1, 2017, requires payments to managed care and county-based purchasing plans to reflect this payment increase. Also sunsets, on December 31, 2016, a rate increase for dental providers located outside the seven-county metropolitan area.
- 7 **Reimbursement for basic care services.** Amends § 256B.766. The amendment to paragraph (i) strikes language requiring the MA payment rate for durable medical equipment, prosthetics, orthotics, or supplies to be restored to the January 1, 2008, MA fee schedule. Also prohibits the commissioner from applying any MA payment reductions to durable medical equipment as a result of Medicare competitive bidding.

A new paragraph (j) increases the MA payment rate for durable medical equipment, prosthetics, orthotics, or supplies that were subject to the Medicare 2008 competitive bid by 9.5 percent effective July 1, 2015. Further increases payment rates for durable medical equipment, prosthetics, orthotics, or supplies on the MA fee schedule, whether or not they were subject to the Medicare 2008 competitive bid, by 2.94 percent. Exempts the following from this paragraph: items subject to volume purchase, products subject to the preferred diabetic testing supply program, certain items provided to dually eligible recipients, and individually priced items. States that managed care and county-based purchasing plan payments shall not be increased to reflect the rate increases in this paragraph.

Effective date. Provides a retroactive effective date of July 1, 2015.

Section

Article 3: MNsure

Overview

This article modifies provisions related to MNsure. It requires certain interagency agreements and transfers of funds by the commissioners of commerce, health, and human services and the MNsure Board to be authorized by enactment of a new law. It establishes the Minnesota Eligibility System Executive Steering Committee in statute and makes the open meeting law apply to steering committee meetings. It modifies the composition of the MNsure Board. It requires the commissioner of human services to apply for federal waivers to (1) allow MinnesotaCare-eligible persons to decline MinnesotaCare and instead purchase coverage from a qualified health plan and access advanced premium tax credits and cost-sharing reductions; and (2) establish a federal-state eligibility determination and enrollment system for state insurance affordability programs. It also repeals MNsure statutes and rules, effective upon approval of the waiver to establish the federal-state eligibility determination and enrollment system.

1 Legislative enactment required. Adds § 45.0131.

Subd. 1. Agency agreements. Prohibits the commissioner of commerce from entering into or renewing any interagency agreement or service level agreement, or related agreement, with a value of more than \$100,000 a year, with any state department, state agency, or the Office of MN.IT Services, unless this is authorized by enactment of a new law. Provides that agreements without a specific expiration date expire two years from the effective date of this section or of the agreement, unless authorized by enactment of a new law.

Subd. 2. Transfers. Prohibits the commissioner from transferring appropriations and funds in amounts over \$100,000 across agency accounts or programs, unless this is authorized by enactment of a new law.

Subd. 3. Definitions. Defines “state department” and “state agency.”

Effective date. Provides an immediate effective date.

2 Application of other law. Amends § 62V.03, subd. 2. Requires meetings of the Minnesota Eligibility System Executive Steering Committee to comply with the open meeting law.

3 Appointment. Amends § 62V.04, subd. 2. Removes the commissioner of human services or a designee from membership on the MNsure board and adds a member representing the interests of the general public.

4 Terms. Amends § 62V.04, subd. 3. Removes a reference to the term served on the MNsure board by the commissioner of human services or a designee, to conform to section 62V.04, subdivision 2.

5 Conflicts of interest. Amends § 62V.04, subd. 4. Modifies a cross-reference to require all board members, including the member representing the interests of the general public, to comply with the conflict of interest requirements for MNsure board members. (Under

Section

current law the conflict of interest requirements do not apply to the commissioner of human services.)

- 6** **Operations funding.** Amends § 62V.05, subd. 2. Strikes paragraphs that established MNsure funding and authorized cash flow assistance in prior calendar years. Establishes the following funding structure for MNsure for current and future calendar years.

Paragraph (a): For calendar year 2016 only, allows MNsure to retain up to 3.5% of total premiums for individual and small group market health plans and dental plans sold through MNsure.

Paragraph (b): For calendar year 2017, allows MNsure to retain up to 1.75% of total premiums for plans sold through MNsure.

Paragraph (c): For calendar year 2018 and subsequent calendar years, allows MNsure to retain up to 1.75% of total premiums for plans sold through MNsure, if an independent third party certifies that MNsure satisfied the listed benchmarks in the previous calendar year.

Paragraph (d): For calendar year 2018 and subsequent calendar years, if an independent third party does not certify that MNsure met the benchmarks in paragraph (c), allows MNsure to retain up to 1.5% of total premiums for plans sold through MNsure.

Paragraph (f): Lowers the ceiling for the total amount MNsure may retain to fund its operations, from 100% to 60% of funds collected in MCHA member assessments in calendar year 2012.

Effective date. Makes this section effective July 1, 2016.

- 7** **Legislative enactment required.** Amends § 62V.05, by adding subd. 12. (a) Prohibits the MNsure board from entering into or renewing any interagency agreement or service level agreement, or related agreements, with a value of more than \$100,000 a year, with any state department, state agency, or the Office of MN.IT Services, unless this is authorized by enactment of a new law. Provides that agreements without a specific expiration date expire two years from the effective date of this section or of the agreement, unless authorized by enactment of a new law.

(b) Prohibits the board from transferring appropriations and funds in amounts over \$100,000 across agency accounts or programs, unless this is authorized by enactment of a new law.

(c) Defines “state department” and “state agency.”

Effective date. Provides an immediate effective date.

- 8** **Minnesota Eligibility System Executive Steering Committee.** Adds § 62V.056. Establishes an executive steering committee to govern the Minnesota eligibility system.

Subd. 1. Definition; Minnesota eligibility system. Defines Minnesota eligibility system as the system that supports eligibility determinations using the modified adjusted gross income (MAGI) methodology for certain medical assistance applicants and enrollees (mainly children, parents, pregnant women, and adults without children); for MinnesotaCare applicants and enrollees; and for people applying for or enrolled in a qualified health plan.

Section

Subd. 2. Establishment; committee membership. Establishes the Minnesota Eligibility System Executive Steering Committee and specifies committee membership: one member appointed by the commissioner of human services, one member appointed by the MNsure board, one member representing counties, and one nonvoting member representing MN.IT. Requires steering committee costs to be paid from the budgets of the Department of Human Services, MN.IT, and MNsure.

Subd. 3. Duties. Directs the steering committee to establish a governance structure for the Minnesota eligibility system and to be responsible for the system's governance. Requires quarterly reports to the Legislative Oversight Committee, and requires the steering committee to adopt bylaws, policies, and agreements to administer the Minnesota eligibility system.

Subd. 4. Meetings. Requires steering committee meetings to be held in the State Office Building and to be available for viewing through the legislature's Web site. Requires the steering committee to provide opportunities for public testimony at every meeting and to post meeting documents to the legislature's Web site. Requires steering committee votes to be recorded, with each member's vote identified.

Subd. 5. Administrative structure. Lists duties of the Office of MN.IT Services for the Minnesota eligibility system.

9 **Review of Minnesota eligibility system funding and expenditures.** Adds subd. 5 to § 62V.11. Requires the Legislative Oversight Committee to review quarterly reports submitted by the steering committee related to Minnesota eligibility system funding and expenditures.

10 **Legislative enactment required.** Amends § 144.05, by adding subd. 6. (a) Prohibits the commissioner of health from entering into or renewing any interagency agreement or service level agreement, or related agreements, with a value of more than \$100,000 a year, with any state department, state agency, or the Office of MN.IT Services, unless this is authorized by enactment of a new law. Provides that agreements without a specific expiration date expire two years from the effective date of this section or of the agreement, unless authorized by enactment of a new law.

(b) Prohibits the commissioner from transferring appropriations and funds in amounts over \$100,000 across agency accounts or programs, unless this is authorized by enactment of a new law.

(c) Defines "state department" and "state agency."

Effective date. Provides an immediate effective date.

11 **Legislative enactment required.** Amends § 256.01, by adding subd. 41. (a) Prohibits the commissioner of human services from entering into or renewing any interagency agreement or service level agreement, or related agreements, with a value of more than \$100,000 a year, with any state department, state agency, or the Office of MN.IT Services, unless this is authorized by enactment of a new law. Provides that agreements without a specific expiration date expire two years from the effective date of this section or of the agreement, unless authorized by enactment of a new law.

Section

(b) Prohibits the commissioner from transferring appropriations and funds in amounts over \$100,000 across agency accounts or programs, unless this is authorized by enactment of a new law.

(c) Defines “state department” and “state agency.”

Provides an immediate effective date.

- 12 Federal waiver.** Amends § 256L.02, by adding subd. 7. Directs the commissioner of human services to apply for an innovation waiver under section 1332 of the Affordable Care Act, or any other applicable federal waiver, to allow persons eligible for MinnesotaCare to decline MinnesotaCare coverage and instead access advanced premium tax credits and cost-sharing reductions by purchasing qualified health plans, either through MNsure or outside of MNsure through health plan companies. Requires the waiver request to be submitted within nine months of the effective date of this provision. Requires the commissioner to coordinate the waiver request with the waiver requested by the commissioner of commerce to allow individuals to purchase qualified health plans outside of MNsure directly from health plan companies, and receive advanced premium tax credits and cost-sharing reductions (required by Laws 2015, chapter 71, article 12, section 8). Requires the commissioner of human services to submit a draft waiver proposal to the MNsure board and legislative committees at least 30 days before submitting the final waiver proposal to the federal government, and to notify the board and legislative committees of any federal decision or action. If federal approval is granted, requires the commissioner to submit to the legislature draft legislation and fiscal estimates necessary to implement the proposal.

Effective date. Provides an immediate effective date

- 13 Federal-state eligibility determination and enrollment system for insurance affordability programs.** Directs the commissioner of human services to seek a federal waiver to establish a federal-state eligibility determination and enrollment system.

Subd. 1. Waiver request. (a) Requires the commissioner of human services, in consultation with the MNsure board and the commissioners of commerce and health, to apply for a federal section 1332 innovation waiver, or any other applicable waiver, to establish a federal-state eligibility determination and enrollment system for state insurance affordability programs, for coverage beginning January 1, 2018. States that the system shall take the place of MNsure. Specifies that under the system, eligibility and enrollment for MA and MinnesotaCare shall be conducted by the commissioner, and eligibility and enrollment for qualified health plans, advanced premium tax credits, and cost-sharing reductions shall be conducted by the federally-facilitated marketplace.

(b) Defines “state insurance affordability programs.”

(c) Requires the system to incorporate an asset test for persons who qualify as adults without children under MA or MinnesotaCare. Specifies the asset limit as \$10,000 in total net assets for a household of one and \$20,000 for a household of two or more.

Subd. 2. Requirements of waiver application. Requires the commissioner, in designing the eligibility determination and enrollment system and developing the waiver application, to: (1) incorporate, where appropriate and cost-effective, elements

Section

of the MNsure and DHS eligibility determination systems; (2) coordinate the waiver request with the waiver requests required by section 256L.02, subd. 7 (allowing persons to decline MinnesotaCare and access tax credits and cost-sharing reductions) and Laws 2015, chapter 71, article 12, section 8 (allowing purchase of qualified health plans outside of MNsure and access to tax credits and cost-sharing reductions); (3) regularly consult with stakeholder groups; and (4) seek all available federal grants and funds for planning and development.

Subd. 3. Vendor contract; use of existing resources. Requires the commissioner, in consultation with MN.IT, to contract with a vendor for technical assistance. Requires the commissioner to use existing resources in developing the waiver request and contracting for technical assistance.

Subd. 4. Reports to legislative committees. Requires the commissioner to report to legislative committees, by January 1, 2017, on progress in seeking the waiver, and to notify legislative committees of any federal decision related to the waiver request.

Effective date. Provides an immediate effective date.

- 14 Revisor's instruction.** Authorizes the revisor of statutes to change cross-references to statutes and rules that are repealed in this article, and to make any necessary technical changes to preserve the meaning of the text.
- 15 Repealer.** Repeals the statutes and rules that establish and govern MNsure. Provides that this section is effective upon approval of the waiver request to establish and operate a federal-state eligibility determination and enrollment system, or January 1, 2018, whichever is later.

Article 4: Health Department

Overview

This article modifies programs operated by the Health Department, including radon licensing, home care licensure, hospice licensure, abortion reporting, safe harbor services, funeral establishments, and health information technology. It establishes a greater Minnesota family medicine residency grant program. It directs the commissioner of health to establish a Web site to allow consumers to search for prescription drug retail prices. It establishes a grant program to provide screening and treatment for pre- and postpartum mood and anxiety disorders.

- 1 Radon testing and mitigation data.** Adds subd. 5 to § 13.3805. Classifies data maintained by the Health Department that identify the address of a radon testing or mitigation site and contact information for residents and residential property owners of radon testing or mitigation sites, as private data on individuals or nonpublic data.
- 2 Coordination with national HIT activities.** Amends § 62J.495, subd. 4. Adds the following activities to the commissioner of health's duties to coordinate the use of health information technology: (1) providing financial and technical support to health care providers to encourage implementation of admission, discharge, and transfer alerts and care summary and document exchange transactions, and to evaluate the impact of health

Section

information technology on cost and quality of care; (2) providing educational resources and technical assistance to health care providers and patients regarding privacy, security, and consent laws governing health information; and (3) assessing the state's legal, financial, and regulatory framework for the exchange of health information, and recommending modifications to allow providers to securely exchange data in compliance with patient preferences.

- 3 Account establishment.** Amends § 62J.496, subd. 1. Expands the allowable uses of funds in the electronic health record system revolving account, to allow funds to be used for the commissioner of health's activities listed in section 62J.495, subdivision 4, related to coordination of health information technology activities. Provides that the commissioner will not award new loans or loan guarantees from this account after July 1, 2016.
- 4 Greater Minnesota family medicine residency grant program.** Adds § 144.1912. Creates a program administered by the commissioner of health to award grants to family medicine residency programs that are located outside the seven-county metro area and that have a demonstrated history of training physicians for practice outside the metro area.
- Subd. 1. Definitions.** Defines terms "commissioner" and "eligible family medicine residency program."
- Subd. 2. Program administration.** Directs the commissioner to award grants to existing, eligible, nonprofit family medicine residency programs to fund new and existing residency positions. Requires funds to be allocated first for new residency positions, with remaining funds allocated for existing positions. Allows the commissioner to fund a new residency position for up to three years, lists allowable uses for grant funds, and prohibits funds from supplanting other funds available for residency positions.
- Subd. 3. Applications.** Establishes a process for programs to apply for grant funds.
- Subd. 4. Program oversight.** Allows the commissioner to collect information from residency programs that the commissioner needs to administer and evaluate the grant program.
- 5 Patient consent to release of records.** Amends § 144.293, subd. 2. Requires a consent form used by a health care provider for the release of a patient's health records to include the option to indicate yes or no to each type of health records release for which the provider is requesting consent. Prohibits a provider from conditioning the patient's receipt of treatment on the patient's willingness to release records.
- 6 Rulemaking.** Amends § 144.4961, subd. 3. Clarifies the authority of the commissioner of health to adopt rules to establish licensure requirements and work standards for indoor radon in dwellings and other buildings.
- Effective date.** Makes this section effective the day following final enactment.
- 7 System tag.** Amends § 144.4961, subd. 4. Requires radon mitigation systems installed on or after January 1, 2018, to have radon mitigation tags provided by the commissioner of health (current law requires radon mitigation tags for systems installed on or after October 1, 2017).

Section

Effective date. Makes this section effective July 1, 2018.

- 8 License required annually.** Amends § 144.4961, subd. 5. Modifies the services for which radon licensure is required, to not require licensure for persons, firms or corporations that sell devices to detect radon indoors. Also removes an exemption for retail stores that is no longer needed, since licensure is no longer required for entities that sell radon detection devices.

Makes this section effective July 1, 2018.

- 9 Exemptions.** Amends § 144.4961, subd. 6. Exempts the following from licensure requirements for radon testing and mitigation professionals and firms:

- employees of a firm or corporation that installs radon control systems in newly constructed Minnesota homes;
- building officials that enforce the Building Code or their designees; and
- persons and entities that distribute radon testing devices or information for educational purposes.

Effective date. Makes this section effective the day following final enactment.

- 10 Licensing fees.** Amends § 144.4961, subd. 8. Modifies radon licensure fees for measurement professionals, mitigation professionals, and mitigation companies. Specifies that employees or subcontractors supervised by a licensed mitigation professional are not required to be licensed. Waives the license fee for mitigation companies that employ only one licensed mitigation professional.

Makes this section effective the day following final enactment.

- 11 Local inspections or permits.** Adds subd. 10 to § 144.4961. Specifies that the section on radon licensure does not preclude local units of government from requiring additional permits or inspections for radon control systems.

Makes this section effective the day following final enactment.

- 12 Prescription drug price reporting.** Adds § 144.7011.

Subd. 1. Definitions. Defines the following terms: available discount, retail pharmacy, and retail price.

Subd. 2. Prescription drug price information reporting. Requires the commissioner of health, by July 1, 2017, to establish an online, interactive Web site that allows retail pharmacies to voluntarily list retail prices and available discounts for one or more of the 150 mostly commonly dispensed prescription drugs. Specifies criteria for the Web site. Requires the commissioner of health to annually consult with the commissioner of human services to determine the 150 most commonly filled drugs, based on MA and MinnesotaCare drug utilization.

Subd. 3. Pharmacy duties. Beginning July 1, 2017, and each month thereafter, requires participating pharmacies to submit retail prices and available discounts to the commissioner. Requires pharmacies to provide 60-days' notice when opting out of the reporting system.

Section

Subd. 4. External vendors. Allows the commissioner to contract with an outside vendor to collect data from pharmacies, and to develop and host the interactive application.

Subd. 5. Grounds for disciplinary action. If a pharmacy has reported false or inaccurate information under this section, allows the commissioner to report this to the Minnesota Board of Pharmacy as grounds for disciplinary action.

- 13 Exclusions from home care licensure.** Amends § 144A.471, subd. 9. This subdivision lists individuals and organizations that are excluded from requirements that apply to licensed home care providers, when the excluded individuals and organizations provide specific home care services.
- The amendment to clause (10) adds employees of licensed home care providers to the list of employees that are excluded from requirements that apply to licensed home care providers, when the employees of licensed home care providers respond to occasional emergency calls from individuals who live in settings attached to or next to the location where home care services are also provided.
 - The new clause (11) excludes employees of nursing homes, home care providers, and boarding care homes from requirements that apply to licensed home care providers, when the employees provide occasional minor services free of charge to individuals who live in settings attached to or next to the nursing home, boarding care home, or location where home care services are also provided.
- 14 Hospice provider.** Amends section 144A.75, subd. 5. Removes a reference to “terminally ill” from the definition of “hospice provider” to conform with changes made to the definition of “hospice patient” in section 144A.75, subdivision 6.
- 15 Hospice patient.** Amends § 144A.75, subd. 6. Expands the definition of “hospice patient” to include an individual who is age 21 or younger; has been diagnosed with a chronic, complex, and life-threatening illness contributing to a shortened life expectancy; and is not expected to survive to adulthood. Adding these patients to the definition allows them to receive services from a hospice provider.
- 16 Hospice services; hospice care.** Amends § 144A.75, subd. 8. Amends the definition of “hospice services” or “hospice care” to conform with changes made to the definition of “hospice patient.”
- 17 Residential hospice facility.** Amends § 144A.75, subd. 13. Amends the definition of “residential hospice facility” to clarify that the facility resembles a single-family home that has been modified to address life safety, accessibility, and care needs.
- 18 Respite care.** Adds subd. 13a to § 144A.75. Adds a definition of “respite care.” This definition is similar to the definition of respite care found in hospice services rules at Minnesota Rules, part 4664.0020, subpart 5, except the definition in this bill includes a reference to residential hospice facility.
- 19 Forms.** Amends § 145.4131, subd. 1. Requires a physician or facility performing an abortion to include in abortion data reports submitted to the commissioner of health, the

Section

facility code for the patient and the facility code for the physician, if the abortion was performed via telemedicine. This section is effective January 1, 2017.

- 20 Duties of director.** Amends § 145.4716, subd. 2. Directs the director of child sex trafficking prevention at the Minnesota Department of Health to manage the program in section 609.3241 that distributes funds to crime victims services organizations to serve sexually exploited youth. (Under current law this grant program is managed by the commissioner of public safety.)
- 21 Youth eligible for services.** Adds subd. 3 to § 145.4716. Specifies that youth age 24 and younger are eligible for safe harbor services provided by the commissioner of health and for shelter, housing beds, and services provided by the commissioner of human services for sexually exploited youth and youth at risk of sexual exploitation. (Currently these services are provided to youth age 18 and younger.)
- 22 Grant program; screening and treatment for pre- and postpartum mood and anxiety disorders.** Adds § 145.908. Directs the commissioner of health to establish a grant program, within the limits of federal funds available specifically for this purpose, to provide culturally competent screening and treatment for pre- and postpartum mood and anxiety disorders in pregnant women and women who have given birth in the last 12 months.
- Subd. 1. Grant program established.** Directs the commissioner of health to establish the grant program. Allows organizations to use grant funds to establish new programs, or to expand or maintain existing programs. Requires the commissioner to prioritize funding screenings in primary care settings.
- Subd. 2. Allowable uses of funds.** Lists required and permitted uses of funds.
- Subd. 3. Federal funds.** Requires the commissioner to apply for any available federal grant funds for the program.
- 23 Requirements for funeral establishment.** Amends § 149A.50, subd. 2. Makes a change to requirements for funeral establishments to conform with changes made to section 149A.92, which governs preparation and embalming rooms.
- 24 Establishment update.** Amends § 149A.92, subd. 1. Removes a requirement that all funeral establishments must, by July 1, 2017, contain a preparation and embalming room that complies with the standards in this section. Instead, requires a room used by a funeral establishment for preparation and embalming to comply with the standards in this section, and allows a funeral establishment with branch locations to have one prep and embalming room that complies with the standards in this section for all locations. Specifies a funeral establishment where no preparation and embalming is performed does not need to have an on-site prep and embalming room.
- 25 Special event food stand.** Amends § 157.15, subd. 14. In a chapter governing food, beverage, and lodging establishments, amends the definition of special event food stand by removing a requirement that the special event food stand could operate no more than three times a year. With this amendment, a special event food stand may operate no more than ten total days within the applicable license period for the food stand.
- 26 Special event recreational camping area.** Amends § 327.14, subd. 9. In a chapter regulating camping areas, amends the definition of special event recreational camping area to

Section

specify that special event camping does not include an organization or association that sponsors an event that includes camping, where the camping event deals with historical reenactments, deals with Minnesota or U.S. culture and history, or is of educational value.

- 27** **Penalty assessment authorized.** Amends § 609.3241. Transfers management of the program to distribute funds to crime victims services organizations to serve sexually exploited youth, from the commissioner of public safety to the commissioner of health.
- 28** **Effective date.** Modifies the effective date for provisions requiring radon mitigation system tags and requiring licensure for radon testing and mitigation professionals and firms, from October 1, 2017, to January 1, 2018.
- 29** **Expanding eligibility for designation as a critical access hospital.** Encourages the commissioner of health to contact Minnesota's federal elected officials and pursue changes to the Medicare rural hospital flexibility program to expand the number of hospitals eligible for designation as a critical access hospital. Requires a status report to legislative committees by January 1, 2017.
- 30** **Repealer.** Repeals Minnesota Statutes, § 149A.92, subd. 11, which specifies that all funeral establishments where human remains are present for preparation and embalming, viewings, visitations, services, and holding must comply with the requirements for preparation and embalming rooms. This subdivision is repealed effective the day following final enactment.

Section

Article 5: Chemical and Mental Health

Overview

This article decreases the county share for chemical dependency treatment from 22.95 percent to 15 percent for fiscal year 2017, and prohibits using a facility's designation as an institution for mental diseases as a factor in making placement decisions.

The article directs the commissioner of human services to establish pilot projects to provide treatment and services to pregnant and postpartum women with substance use disorders.

As part of a federal planning grant for the Excellence in Mental Health demonstration project, this article authorizes the commissioner to develop certification standards for certified behavioral health clinics, establish a prospective payment system for services provided by these clinics, and to consult with stakeholders in the development and implementation of the clinics.

- 1 Certified community behavioral health clinics.** Amends Minnesota Statutes 2015 Supplement, § 245.735, subd. 3. Paragraph (a) establishes the certification standards for certified community behavioral health clinics (CCBHC).

Paragraph (b) allows the commissioner to certify a CCBHC that is unable to provide one of the services listed in paragraph (a) if the entity has a contract with a collaborating organization that will provide the services.

Paragraph (c) allows a CCBHC to receive payment without a county contract or approval for services. Provides that there is no county share when medical assistance pays a CCBHC for services. Requires the CCBHC's county to provide a letter of support to the commissioner in order for the CCBHC to be certified.

Paragraph (d) allows the commissioner to grant variances to state licensure or certification requirements as long as the variances do not conflict with federal requirements.

Paragraph (e) requires the commissioner to issue a list of required and recommended evidence-based practices that must be used by CCBHCs.

Paragraph (f) requires the commissioner to establish a prospective payment system for medical assistance payments for services delivered by CCBHCs. Allows the commissioner to include quality bonus payments based on federal criteria and the clinic's provision of evidence-based practices. Provides that the payment system does not apply to MinnesotaCare or to services that have cost-based rates under other law. Provides that implementation of the payment system is effective July 1, 2017, or upon federal approval, whichever is later.

Paragraph (g) instructs the commissioner to seek federal approval for continued federal financial participation for payment of CCBHC services after the federal demonstration period ends for CCBHCs that were certified during the demonstration period. Provides that payment for CCBHC services shall end effective July 1, 2019, if federal financial participation cannot be obtained.

Section

Paragraph (h) allows the commissioner to establish a limit on the number of certified clinics so that claims will not exceed funds budgeted for this purpose. Provides that preference shall be given to certain clinics.

Paragraph (i) requires the commissioner to recertify CCBHCs at least every three years. Instructs the commissioner to develop a decertification procedure.

Effective date. Provides that this section is effective the day following final enactment.

- 2 **Public participation.** Amends Minnesota Statutes 2015 Supplement, § 245.735, subd. 4. Requires the commissioner to consult, collaborate, and partner with stakeholders in developing and implementing certified community behavioral health clinics.

Effective date. Provides that this section is effective the day following final enactment.

- 3 **Rental assistance.** Amends § 245.99, subd. 2. Modifies criteria for the receipt of housing assistance so that persons with a serious mental illness can receive up to 90 days of rental assistance.

- 4 **Division of costs.** Amends § 254B.03, subd. 4. Reduces the county share of cost for chemical dependency treatment to 15 percent for fiscal year 2017 only. The current county share is 22.95 percent. Makes a conforming reduction to the percent reimbursement from the state to the county if the state makes collections from private or third-party payments.

Effective date. This section is effective July 1, 2016.

- 5 **Eligibility for treatment in residential settings.** Amends § 254B.04, subd. 2a. Requires that if a person meets the criteria for residential placement, a facility's designation as an institution for mental diseases (IMD) must not be a factor in the placement decision.

Effective date. This section is effective July 1, 2016.

- 6 **Allocation of collections.** Amends § 254B.06, subd. 2. Changes the allocation of collections for fiscal year 2017 only. To conform to the change in county share of cost in subdivision 1, the amendment to this subdivision requires the commissioner to allocate 15 percent of the collection to the county of financial responsibility.

Effective date. This section is effective July 1, 2016.

- 7 **Reimbursement for institutions for mental disease.** Amends § 254B.06, by adding subdivision 4. Prohibits the commissioner from denying reimbursement to a program designated as an IMD due to a reduction in federal financial participation and the addition of new residential beds.

Effective date. This section is effective July 1, 2016.

- 8 **Pilot projects; treatment for pregnant and postpartum women with substance use disorder.** Adds § 254B.15. Directs the commissioner of human services to establish pilot projects, within the limits of federal funds available specifically for this purpose, to provide substance use disorder treatment and services to pregnant and postpartum women.

Subd. 1. Pilot projects established. Directs the commissioner of human services to establish the pilot projects. Lists criteria the pilot projects must meet, and requires

Section

pilot projects to provide a portion of the treatment and services to women on an outpatient basis.

Subd. 2. Federal funds. Requires the commissioner to apply for any available federal grant funds for the pilot projects.

9 Payment rates. Amends § 256B.0621, subd. 10. Adds that in assisting a client who is moving from an institution to the community, a case manager may bill medical assistance for relocation targeted case management services conducted by interactive video as provided in section 256B.0924, subd. 4a.

10 Mental health case management. Amends § 256B.0625, subd. 20. Provides that medical assistance and MinnesotaCare will pay for mental health case management services provided by interactive video if the interactive video contact meets the requirements of subdivision 20b.

11 Mental health targeted case management through interactive video. Amends § 256B.0625, by adding subd. 20b. Paragraph (a) provides, subject to federal approval, that medical assistance will pay for targeted case management services provided by interactive video to a person who resides in a hospital, nursing facility, or residential setting staffed 24 hours a day, seven days a week. Use of interactive video must be approved in the case plan, must be in the best interests of the person, and must be approved by the person receiving services, the case manager, and the provider operating the setting where the person resides. Provides that interactive video cannot be used for more than 50 percent of the minimum required face-to-face contacts.

Paragraph (b) allows the person receiving services the right to consent to use of interactive active and to refuse the use of interactive video at any time.

Paragraph (c) instructs the commissioner to establish criteria for providing targeted case management via interactive video.

Paragraph (d) provides the requirements for a targeted case management provider to receive medical assistance reimbursement for services provided by interactive video.

12 Targeted case management through interactive video. Amends § 256B.0924, by adding subd. 4a. Paragraph (a) provides, subject to federal approval, that medical assistance will pay for targeted case management services provided by interactive video to a person who resides in a hospital, nursing facility, or residential setting staffed 24 hours a day, seven days a week. Use of interactive video must be approved in the case plan, must be in the best interests of the person, and must be approved by the person receiving services, the case manager, and the provider operating the setting where the person resides. Provides that interactive video cannot be used for more than 50 percent of the minimum required face-to-face contacts.

Paragraph (b) allows the person receiving services the right to consent to use of interactive active and to refuse the use of interactive video at any time.

Section

Paragraph (c) instructs the commissioner to establish criteria for providing targeted case management via interactive video.

Paragraph (d) provides the requirements for a targeted case management provider to receive medical assistance reimbursement for services provided by interactive video.

13 Rural demonstration project. Paragraph (a) allows children's mental health collaboratives to apply for grants. Allows one demonstration project to be funded.

Paragraph (b) requires the project to provide individualized coaching to rural youth ages 15 to 25 currently in the mental health system or with emerging mental health conditions so that these youth are able to achieve their personal goals in education, employment, housing, and community functioning. Requires the grantee to use all available sources of funding and to complete a program evaluation.

Paragraph (c) instructs the commissioner to issue a report to legislative committees with jurisdiction over mental health on the status and outcome of the demonstration by January 15, 2019. Requires the collaboratives administering the projects to report outcome data to the commissioner.

Article 6: Children and Families

Overview

In January 2016, the Select Committee on Affordable Child Care was created. The committee visited communities throughout Minnesota to listen to issues presented by child care providers and parents who use, or are in need of, child care services. This article presents proposals to address needs expressed by providers and parents related to accessibility, licensing processes, training of providers and licensors, business development, and advocacy.

In addition, this article modifies child care assistance program maximum rates for providers who are located within the boundaries of a city located in two or more counties, modifies the Food Stamp (also known as SNAP) Employment and Training Program requirements related to how federal funds are used, creates a permanent child support task force, and creates a new parenting expense adjustment for use in calculating child support obligations.

1 Subsidy restrictions. Amends § 119B.13, subd. 1. Modifies child care assistance program maximum rates by setting the maximum rate for child care providers who are located within the boundaries of a city located in two or more counties at the maximum rate paid in the county with the highest maximum reimbursement rates or the provider's charge, whichever is less.

Effective date. Provides an effective date of September 11, 2017.

2 Electronic application; information. Creates § 245A.043. Paragraph (a) instructs the commissioner to study the cost for development of a Web site for use by child care providers

Section

and prospective providers that would provide a single point of access for statutes and rules relevant to child care; a guide how to start a child care business; and completing and submitting electronic applications, child care assistance program registration, application for rating under the quality rating and improvement system, among other things.

Paragraph (b) instructs the commissioner to submit the feasibility study to the legislature by September 30, 2016.

Effective date. Provides an effective date of July 1, 2017.

- 3 Notification to provider.** Creates § 245A.055. Paragraph (a) requires a county licensor who has conducted a licensing inspection to provide the licensee with written notification of potential licensing violations noted during the visit. The notification must be provided prior to the licensor's departure from the home.

Paragraph (b) clarifies that by issuing the required notification to the licensee, the licensor is not relieved from notifying the commissioner of the violation as required by statute or rule.

- 4 Positive support strategies.** Creates § 245A.23. Paragraph (a) requires the commissioner to review and evaluate the applicability of the positive support strategies and restrictive intervention rules to child care providers. Lists items the commissioner must consider. Requires the commissioner to complete this review and evaluation process no later than December 31, 2016, and to submit a written plan to modify application of rules for child care programs to the legislature by January 15, 2017.

Paragraph (b) exempts child care providers from certain rules until the commissioner has completed the review and evaluation process and submitted a written plan to the legislature.

Effective date. Provides an immediate effective date.

- 5 Training for county licensing staff on family child care and group family child care requirements; supervision.** Creates § 245A.55. Paragraph (a) establishes an eight-hour preservice training requirement for county licensors.

Paragraph (b) requires the commissioner to increase training and oversight of county licensors. Requires the commissioner to conduct at least biennial reviews of county performance.

Paragraph (c) instructs the commissioner to provide notices annually to county licensors and their supervisors on new laws relating to family child care and group family child care that were enacted during the previous 12 months.

- 6 Federal reimbursement.** Amends § 256D.051, subd. 6b. Adds language to the Food Stamp Employment and Training Program statute specifying how the federal appropriation for the program must be used. Requires the commissioner to report, by February 15, 2017, to the legislative committees with jurisdiction over the food stamp program on the progress of securing additional federal reimbursement funds. Allows service providers to be paid with federal funds for Food Stamp employment and training costs they incur.

- 7 Modification of parenting plan or order for parenting time.** Amends § 518.175, subd. 5. Makes structural changes to the subdivision. Instructs the court to modify an existing parenting plan or court order, if the plan or order cannot be used to determine the number of

Section

overnights or overnight equivalents the child has with each parent, so that the number of overnights or overnight equivalents the child has with each parent can be determined.

Effective date. Provides an August 1, 2018, effective date.

- 8 Obligor.** Amends Minnesota Statutes 2015 Supplement, § 518A.26, subd. 14. To the definition of obligor, new language is added to provide that if a parent has more than 55 percent parenting time, there is a rebuttable presumption that the parent will have a zero dollar basic support obligation. Lists the types of evidence that can be produced to overcome the presumption. Adds that a zero support obligation does not relieve a party from paying arrears.

Effective date. Provides an August 1, 2018, effective date.

- 9 Computation of child support obligations.** Amends § 518A.34. Makes technical changes to conform with the changes made to the parenting expense adjustment formula in section 518A.36. Adds a new paragraph to establish the method of determining child support obligations when parents have split custody of joint children.

Effective date. Provides an August 1, 2018, effective date.

- 10 Parenting expense adjustment.** Amends § 518A.36.

Subd. 1. General. Adds that parenting time means the percentage of time a child spends with a parent during a calendar year according to a court order and averaged over a two year period.

Subd. 2. Calculation of parenting expense adjustment. Establishes a new formula for determining the parenting expense adjustment.

Subd. 3. Calculation of basic support when parenting time is equal. Strikes language made obsolete by the new parenting expense adjustment.

Effective date. Provides an August 1, 2018, effective date.

- 11 Modification.** Amends Minnesota Statutes 2015 Supplement, § 518A.39, subd. 2. Adds that if child support was established by applying a parenting expense adjustment under previously existing child support guidelines and there is no parenting plan or order from which overnights or overnight equivalents can be determined, then there is a rebuttable presumption that the established child support obligation will continue after modification unless the modification is based on a change in parenting time.

Makes a technical change to reference the amended child support guidelines.

Effective date. Provides an August 1, 2018, effective date.

- 12 Child Support Task Force.** Creates § 518A.79.

Subd. 1. Establishment; purpose. Creates the Child Support Task Force to advise the commissioner of human services on matters related to the child support guidelines.

Section

Subd. 2. Members. Paragraph (a) identifies the agencies, entities, and individuals who are to make up the 15 member task force.

Paragraph (b) provides that task force members shall be compensated as provided in section 15.059, subdivision 3.

Subd. 3. Organization. Requires the commissioner of human services to convene the first meeting of the task force. Instructs the members to elect a chair and other officers. Requires the task force to meet at least three times per year, with one meeting devoted to collecting public input.

Subd. 4. Staff. Provides that the commissioner shall provide staff, office space, and administrative services for the task force.

Subd. 5. Duties. Paragraph (a) lists the general duties of the task force. Paragraph (b) lists the priority duties of the task force.

Subd. 6. Consultation. Requires the chair to consult with the Cultural and Ethnic Communities Leadership Council at least annually. This council also advises the commissioner.

Subd. 7. Report and recommendations. Instructs the commissioner to prepare a report for the legislature that summarizes the activities of the task force, issues identified by the task force, methods taken to address these issues, and recommendations for legislative action, if needed. Requires the first report to be submitted February 15, 2018, and biennially thereafter.

Subd. 8. Expiration. Provides that the task force expires June 30, 2019, unless extended by the legislature.

Effective date. Provides an immediate effective date.

13 **Establishment of team.** Amends § 626.558, subd. 1. Adds children's advocacy centers to the list of community-based agencies that may be included on the task force.

14 **Duties of the team.** Amends § 626.558, subd. 2. Adds a representative of a children's advocacy center to the list of agencies that may assist with case consultation.

15 **Children's advocacy center; definition.** Adds § 626.558, subd.4. Defines "children's advocacy center."

16 **Child care provider liaison and advocate.** Requires the commissioner of human services to create a full-time position to act as a liaison and advocate for child care providers. Provides an immediate effective date.

17 **Legislative task force on child care.**

Subd. 1. Creation. Creates a task force to evaluate issues related to affordability and accessibility of child care.

Subd. 2. Membership. Provides that the task force will be composed of eight legislators.

Section

Subd. 3. Duties. Lists the issues that may be considered by the task force including, but not limited to: child care costs, accessibility, training requirements for providers, uniform training requirements for county licensors, and streamlining paperwork requirements.

Subd. 4. Recommendations and report. Requires the task force to issue a report to the legislature and governor by December 31, 2016.

Effective date. Provides an immediate effective date and a sunset date of December 31, 2016.

- 18 Direction to commissioner; income and asset exclusion.** Prohibits the commissioner of human services from counting payments made to families by a demonstration project as income or assets for purposes of determining eligibility for various human services programs including child care assistance, MFIP, MA, and MinnesotaCare. Defines “income and child development in the first three years of life demonstration project.” Provides that this section will only be implemented if Minnesota is chosen as a site for the federal demonstration project, and provides a January 1, 2022, expiration date. Requires the commissioner to report to the legislature on the outcomes of the demonstration project by January 1, 2023.
- 19 Repealer; hands off child care.** Repeals Minnesota Statutes, sections 179A.50, 179A.51, 179A.52, and 179A.53 (child care provider unionization).

Article 7: Health-Related Licensing

Overview

This article creates regulations governing the practice of four health-related professions.

- 1 Definitions.** Creates § 147F.01. Defines the following terms as used in this practice act: “ABGG,” “ABMG,” “ACGC,” “board,” “eligible status,” “genetic counseling,” “genetic counselor,” “licensed physician,” “NSGC,” “qualified supervisor,” “supervisee,” and “supervision.”
- 2 Scope of practice.** Creates § 147F.03. Lists the type of services provided by a licensed genetic counselor.
- 3 Unlicensed practice prohibited; protected titles and restrictions on use.** Creates § 147F.05.

Subd. 1. Protected titles. Prohibits use of the titles “genetic counselor,” “licensed genetic counselor,” “gene counselor,” “genetic consultant,” “genetic assistant,” or “genetic associate” unless the individual is licensed as a genetic counselor.

Subd. 2. Unlicensed practice prohibited. Prohibits the practice of genetic counseling unless licensed as a genetic counselor, or subject to an exception as provided in subdivision 3 of this section.

Section

Subd. 3. Other practitioners. Paragraph (a) provides nothing in this practice act shall limit the practice of other licensed professionals who are operating within their scope of practice.

Paragraph (b) provides that a license is not required for individuals who are employed by the federal government or federal agency, students enrolled in an accredited genetic counseling program or students who have graduated within the past six months and are scheduled to take the certification examination, a visiting certified genetic counselor working as a consultant, or are licensed to practice medicine under chapter 147.

Subd. 4. Sanctions. Provides that violation of this section is a misdemeanor and is subject to sanctions under section 214.11.

4 **Licensure requirements.** Creates § 147F.07.

Subd. 1. General requirements for licensure. Requires applicants to submit a completed application along with the required fees, evidence of graduation from an accredited genetic counseling program, valid and current certification from a national certification program, and additional information requested by the board.

Subd. 2. Licensure by reciprocity. Requires an applicant to hold a current genetic counselor or medical geneticist registration or license in another jurisdiction whose standards meet or exceed those of Minnesota, and to meet specified requirements in subdivision 1. Requires the applicant to provide letters of verification from each jurisdiction in which the applicant is registered or licensed.

Subd. 3. Licensure by equivalency. Allows the board to grant a license to an individual who does not meet the certification requirements in subdivision 1, but who has been employed as a genetic counselor for a minimum of ten years and provides specified documentation to the board.

Provides that this subdivision expires February 1, 2018.

Subd. 4. License expiration. Provides that a license is valid for one year.

Subd. 5. License renewal. Requires a genetic counselor to submit a renewal application and the required fee, evidence of compliance with continuing education requirements, and any additional information requested by the board.

5 **Board action on applications for licensure.** Creates § 147F.09. Requires the board to take action on each application submitted and provide written notice to the applicant of the action taken. Allows the board to investigate information provided by an applicant. Provides that if the board denies a license, grounds for denial must be disclosed to the applicant along with the applicant's right for a review of the board's decision.

6 **Continuing education requirements.** Creates § 147F.11. Paragraph (a) requires genetic counselors to complete a minimum of 25 hours of approved continuing education units during each two-year period.

Paragraph (b) allows the board to grant a variance to the continuing education requirements.

Section

- 7** **Discipline; reporting.** Creates § 147F.13. Provides that disciplinary action and reporting requirements are subject to sections 147.091 to 147.162, disciplinary provisions of the Board of Medical Practice.

Subd. 1. Registration. Requires an applicant to pay the required fees and to file a written application. Lists the items that must be included on the application form. Requires a criminal history check.

Subd. 2. Registration prohibited. Permits the board to deny an application for registration if an applicant has been convicted of one of the listed sexual conduct crimes, human trafficking, or a specified crime of violence; is a registered sex offender; has had the ability to practice under chapter 146A revoked, suspended, or limited; or is under investigation for complaints related to the practice of massage and

Section

bodywork therapy in this or another state. Prohibits registration if disciplinary action is pending until the proceeding is resolved in the applicant's favor.

Subd. 3. Registration by endorsement. Lists the requirements, including proof of a current and unrestricted massage therapy credential in another state.

Subd. 4. Registration by grandfathering. Lists the requirements. Permits application for registration by this method for two years after the first date applications for registration are available. The applicant must pay the required fees, have a criminal background check, file a written application, and provide proof that the applicant is qualified to practice.

Subd. 5. Temporary permit. Allows the board to issue a temporary permit to an applicant eligible for registration that remains valid until the board makes a decision on the registration application.

18 Expiration and renewal. Creates § 148.9871.

Subd. 1. Registration expiration. States that registrations expire annually.

Subd. 2. Renewal. Requires the registrant to complete a renewal application, submit the renewal fee, and provide any other information requested by the board.

Subd. 3. Change of address. Requires the registrant to inform the board within 30 days of a change of address.

Subd. 4. Registration renewal notice. Requires the board to send a renewal notice to the registrant at least 60 days before the registration renewal date.

Subd. 5. Renewal deadline. Provides that the renewal application and fee must be postmarked on or before the renewal deadline date, but if the postmark is illegible, then the application is considered timely if it is received by the third working day after the deadline.

Subd. 6. Inactive status and return to active status. Allows a registrant to place a registration on inactive status and sets the criteria for reactivating the registration.

Subd. 7. Registration following lapse of registration status for two years or less. Requires an individual to apply for registration renewal and pay the required fees.

Subd. 8. Cancellation due to nonrenewal. Prohibits the board from renewing, restoring, or reissuing a registration that has not been renewed for two years. Requires a former registrant to apply and meet the requirements then in existence for initial registration.

Subd. 9. Cancellation of registration in good standing. Allows a registrant to request registration cancellation. Requires the individual, seeking to re-register, to complete an application for registration and to meet requirements then in existence for initial registration.

19 Board action on applications. Creates § 148.9881. Instructs the board to take action on all applications for registration and determine if an applicant meets the requirements for registration or renewal. Permits the board to investigate the information submitted by the

Section

applicant. Requires the board to provide written notification to the applicant on action taken on the application. Provides an appeal process for the applicant.

20 Grounds for disciplinary action. Creates § 148.9882.

Subd. 1. Grounds listed. Provides a list of the grounds for disciplinary action. Disciplinary actions may include registration, denial, revocation, suspension, or limitation.

Subd. 2. Evidence. Provides that judgments or proceedings under seal are admissible evidence in disciplinary proceedings without further authentication.

Subd. 3. Examination; access to medical data. Grants the board the authority to apply the provisions section 148.261, subdivision 5, of the Nurse Practice Act when the board believes a registrant is unable to practice due to mental illness, physical illness, or substance misuse.

21 Discipline; reporting. Creates § 148.9883. Requires registrants and applicants to comply with the reporting requirements and disciplinary process in the nurse practice act, sections 148.262 to 148.266.

22 Effect on municipal ordinance. Creates § 148.9884.

Subd. 1. License authority. Provides that this act preempts the licensure and regulation of registered massage and bodywork therapists by a municipality, including conducting criminal background checks.

Subd. 2. Municipal regulation. Provides that a municipality can require a massage and bodywork establishment to obtain a business license in order to transact business, enforce the provisions of the health code, and otherwise regulate the establishment. Does not limit the municipality's authority to require a criminal background check for any unregistered massage and bodywork therapist.

Subd. 3. Prosecuting authority. Allows a municipality to prosecute violations of this act, any local ordinance, or any other law by a registered or unregistered massage and bodywork therapist.

23 Fees. Establishes fees and requires the board to deposit fees in the state government special revenue account. Allows the board to compose a special assessment fee until the revenue equals the board's expenditures for registration activities.

24 Exchanging information. Creates § 148.9986. Requires the board to report all revocations or suspensions of registered massage and bodywork therapists to the commissioner of health. Allows the board to share investigatory data with the commissioner.

25 Definitions. Creates § 148.9981. Defines the terms "advisory council," "code of ethics," "commissioner," "interpreting standards of practice," "registry," "remote interpretation," "spoken language health care interpreter" or "interpreter," and "spoken language interpreting services."

26 Registry. Creates § 148.9982.

Section

Subdivision 1. Establishment. Paragraph (a) requires the commissioner of health to establish a registry for spoken language health care interpreters by July 1, 2017. Requires the registry to have four tiers based on qualification standards.

Paragraph (b) requires an individual who wants to be listed on the registry to submit an application to the commissioner.

Paragraph (c) instructs the commissioner to determine if the applicant meets the requirements for the applicable registry tier and to notify the applicant of the action taken on the application.

Paragraph (d) provides that if the commissioner denies the application, the applicant may apply for a lower tier or may reapply for the same tier at a later date.

Paragraph (e) allows applicants who qualify for different tiers for different language to submit only one application.

Paragraph (f) allows the commissioner to request additional information from the applicant.

Subd. 2. Tier 1 requirements. Provides that an individual must be at least 18 years of age, pass an examination on basic medical terminology in English, pass an examination on interpreter ethics and standards of practice, and affirm that the applicant has read to code of ethics and standards of practice and will abide by them.

Subd. 3. Tier 2 requirements. In addition to the requirements of subdivision 2, between July 1, 2017, and June 30, 2018, the individual must provide proof of completion of a training program for medical interpreters that is at least 40 hours in length. Establishes training requirements effective July 1, 2018.

Subd. 4. Tier 3 requirements. In addition to the requirements of subdivision 2, an applicant must have national certification in health care interpreting that does not include a language proficiency component, or provide proof of successfully completing an interpreting certification program from an accredited U.S. academic institution that is at least 18 semester credits.

Subd. 5. Tier 4 requirements. In addition to the requirements of subdivision 2, an applicant must have national certification in health care interpreting that includes language proficiency in a non-English language, or has an associate's degree or higher in interpreting and has achieved a score of "advanced mid" or higher. The degree must include at least three semester credits of medical terminology or medical interpreting. Allows the commissioner, in consultation with the advisory committee, to approve alternate means of achieving proficiency or degrees from foreign institutions.

Subd. 6. Change of name and address. Requires registrants to notify the commissioner in writing within 30 days of any changes to their name, address, or email address.

Subd. 7. Data. Provides that applicant and registrant data shall be maintained according to § 13.41.

Section

27 Renewal. Creates § 148.9983.

Subd. 1. Registry period. Provides that listing on the registry is valid for one year. Requires interpreters to submit a renewal application, a continuing education report, and the required fees.

Subd. 2. Notice. Requires the commissioner to send out a renewal notice 60 days before registry expiration. Requires that the renewal be received by the commissioner or postmarked at least 30 days prior to the registry expiration date.

Subd. 3. Late fee. Requires the interpreter to pay a late fee when a renewal application is submitted after the renewal deadline.

Subd. 4. Lapse in renewal. Provides that an interpreter must submit a new application if the interpreter's registry listing has been expired for one year or more.

28 Disciplinary actions; oversight of complaints. Creates § 148.9884.

Subd. 1. Prohibited conduct. Lists the grounds for disciplinary or corrective action.

Subd. 2. Complaints. Allows the commissioner to investigate complaints. Requires the commissioner to follow the procedures followed by the health-related licensing boards for complaint investigations and hearings.

Subd. 3. Disciplinary actions. Lists the types of actions that may be taken by the commissioner.

Subd. 4. Reinstatement requirements after disciplinary action. Allows an interpreter who has been removed from the registry or had their practice suspended to request reinstatement.

29 Continuing education. Creates § 148.9985.

Subd. 1. Course approval. Requires the advisory council to approve continuing education course and training. Allows a course, not approved by the council, to be submitted for credit, but permits the commissioner to disallow credit for the course. Lists the number of continuing education required for each tier.

Subd. 2. Continuing education verification. Requires each interpreter to submit a continuing education report form along with the renewal application.

Subd. 3. Audit. Allows the commissioner or advisory council to conduct a random audit of continuing education reports.

30 Spoken language health care interpreter advisory council. Creates § 148.9986.

Subd. 1. Establishment. Instructs the commissioner to appoint a ten member advisory council.

Subd. 2. Organization. Requires the council to be organized and administered under section 15.059.

Subd. 3. Duties. Lists the duties of the council.

Section

- 31 Fees.** Creates § 148.9987. Fees amounts for initial and renewal applications and late fees are not specified. Provides that fees are nonrefundable and are to be deposited in the state government special revenue fund.
- 32 Access to medical services.** Amends Minnesota Statutes 2015 Supplement, § 256B.0625, subd. 18a. Makes technical changes to conform to changes made by this bill. Provides that medical assistance shall cover only spoken language health care interpreter services provided by an interpreter listed on the registry. Provides an effective date of July 1, 2017.
- 33 Stratified medical assistance reimbursement system for spoken language health care interpreters.** Paragraph (a) instructs the commissioner of human services, in consultation with the commissioner of health, the advisory council, and stakeholders from the interpreting community to study and make recommendations for a reimbursement system based on the different tiers of the registry.
- Paragraph (b) requires the commissioner of human services to submit the proposed reimbursement system, including a fiscal note, to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services by January 15, 2018.
- 34 Initial spoken language health care advisory council meeting.** Requires the commissioner to convene the first council meeting by October 1, 2016.
- 35 Spoken language health care interpreter registry fees.** Provides that the initial and renewal fees for registrants shall be \$50 between July 1, 2017, and June 30, 2018. Between July 1, 2018, and June 30, 2019, the fees shall be \$70. Beginning July 1, 2019, the fees shall be in accordance with § 148.9987.
- 36 Repealer.** Repeals § 144.058 (Interpreter services quality initiative.) effective July 1, 2017.
- 37 Short title.** Creates § 153B.10. Provides the title for this act.
- 38 Definitions.** Creates § 153B.15. Defines the following terms: “advisory council,” “board,” “custom-fabricated device,” “licensed orthotic-prosthetic assistant,” “licensed orthotic fitter,” “licensed orthotist,” “licensed pedorthist,” “licensed prosthetist,” “licensed prosthetist orthotist,” “NCOPE,” “orthosis,” “orthotics,” “over-the-counter,” “off-the-shelf,” “pedorthic device,” “pedorthics,” “prescription,” “prosthesis,” “prosthetics,” “resident,” “residency,” and “supervisor.”
- 39 Exceptions.** Creates § 153B.20. Exempts the following from the provisions of this act:
- licensed physicians, osteopathic physicians, or podiatric physicians who are providing service within the scope of their practice;
 - professionals, such as physical therapists and occupational therapists, who are providing services within the scope of their practice;
 - individuals who practice orthotics, prosthetics, or pedorthics as part of their employment by the federal government or federal agency;
 - orthotic, prosthetic, or pedorthic students, residents, and interns; or an orthotist, prosthetist, pedorthist, prosthetic orthotist, assistant, or fitter who is licensed in

Section

another state or another country that has equivalent licensure requirements, and has applied for licensure under this act.

40 **Orthotics, Prosthetics, and Pedorthics Advisory Council.** Creates § 153B.25.

Subd. 1. Creation; membership. Paragraph (a) establishes the seven member advisory council. Requires five members to be professionals licensed under this act, one member to be a licensed podiatrist, and one to be a public member.

Paragraph (b) provides that the council is to be organized under section 15.059.

Subd. 2. Duties. Lists the duties of the council.

41 **Licensure.** Creates § 153B.30.

Subd. 1. Application. Requires applicants to submit a license application in the format required by the board, accompanied by the required nonrefundable fee.

Subd. 2. Qualifications. Requires applicants to meet the certification requirements of applicable national certifying board at the time of application and to be in good standing with the certifying board.

Subd. 3. License term. Provides that a license is valid for a term of up to 24 months beginning on January 1, or commencing after fulfilling the license requirements and ending on December 31 of the following year.

42 **Employment by an accredited facility; scope of practice.** Creates § 153B.35. Allows a licensee to provide limited, supervised patient care beyond their scope of practice if:

- the licensee is employed by a facility that is accredited by a national accrediting organization in orthotics, prosthetics, and pedorthics;
- written objective criteria are provided by the facility to describe the knowledge and skills required by the licensee to demonstrate competence to provide services outside the licensee's scope of practice;
- the licensee is under the direction of supervisor licensed as an orthotist, prosthetist, or pedorthist who is employed by the facility; and the patient care occurs in compliance with facility accreditation standards.

43 **Continuing education.** Creates § 153B.40.

Subd. 1. Requirement. Requires each licensee to comply with the continuing education requirements imposed by their certifying board.

Subd. 2. Proof of attendance. Requires each licensee to submit to the board proof of attendance at approved continuing education programs during the licensure period.

Subd. 3. Extension of continuing education requirements. Allows a licensee, for good cause, to apply for a six-month extension in order to complete continuing education requirements. Allows up to two consecutive extensions. "Good cause" is defined as unforeseen hardship.

44 **License renewal.** Creates § 153B.45.

Section

Subd. 1. Submission of license renewal form. Requires a licensee to submit a signed renewal application to the board that is postmarked no later than January 1.

Subd. 2. Renewal application postmarked after January 1. Requires the applicant to pay a late renewal fee if the application is postmarked after January 1.

Subd. 3. Failure to submit renewal application. Paragraph (a) requires the board to mail a notice to a licensee who fails to apply for license renewal. Provides that the notice must contain information on the steps that must be taken by the licensee to renew the license or to voluntarily terminate the license.

Paragraph (b) provides that a licensee's failure to respond to the notice shall result in expiration of the license and termination of the right to practice.

Paragraph (c) provides that an expired license may be reinstated.

45 Name and address change. Creates § 153B.50. Paragraph (a) instructs a licensee to notify the board of any name change within 90 days of the change.

Paragraph (b) requires a licensee to maintain a correct address with the board. Instructs a licensee to notify the board of any address change within 90 days of the change.

46 Inactive status. Creates § 153B.55. Paragraph (a) allows a licensee to place the licensee's credential on active status.

Paragraph (b) requires a licensee who requests restoration of a credential to complete a license renewal application and pay the current renewal fee.

Paragraph (c) provides that a person whose license is on inactive status cannot practice.

47 License lapse due to military service. Creates § 153B.60. Allows service members whose license expire while on active duty or while in training or education prior to induction, to have their license renewed or restored without paying a late fee or a restoration fee.

48 Endorsement. Creates § 153B.65. Allows the board to issue a license, without examination, to applicants who are certified by a national certification organization.

49 Grounds for disciplinary action. Creates § 153B.70. Paragraph (a) lists the grounds for adverse action by the board against an applicant or licensee.

Paragraph (b) provides that a license to practice is automatically suspended if a guardian is appointed for the licensee or the licensee is committed by an order of the court under the Minnesota Commitment Act. Allows a licensee to be reinstated upon proof by clear and convincing evidence that the licensee has been rehabilitated.

Paragraph (c) allows the board to require a licensee to submit to a mental or physical examination when the board has probable cause to believe the licensee is unable to practice due to intoxication, addiction to drugs, or mental or physical illness. Provides that the failure of a licensee to submit to an examination constitutes an admission of the allegations.

Paragraph (d) allows the board to obtain a licensee's medical data and health records, without the consent of the licensee, if the board has probable cause to believe the licensee is unable to practice due to intoxication, addiction to drugs, or mental or physical illness.

Section

Paragraph (e) requires the board to hold a hearing within 30 days when the board issues an order of immediate suspension of a license.

- 50 Investigation; notice and hearings.** Creates § 153B.75. Authorizes the board to investigate alleged violations of the practice act, conduct hearings, and impose corrective or disciplinary action as provided in section 214.103 (Health-related licensing boards; complaint, investigation, and hearing.)
- 51 Unlicensed practice.** Creates § 153B.80.
- Requires individuals to hold a license in order to practice one of the professions regulated by this act; and
 - prohibits any individual from holding oneself out as a professional regulated by this act if the person is not regulated; and makes it a misdemeanor for a person to practice or hold oneself out as an orthotist, prosthetist, prosthetist orthotist, pedorthist, assistant, or fitter without a license. Grants the board the authority to seek a cease and desist order.
- 52 Fees.** Creates § 153B.85. Lists various application and renewal fees.
- 53 First appointments, first meeting, and first chair of the Orthotics, Prosthetics, and Pedorthics Advisory Council.** Instructs the board to make appointments to the council by September 1, 2016. Requires the council to convene by November 1, 2016.

Article 8: Conforming Amendments

- 1 Exchanging information.** Amends § 146A.06, subd. 3. Requires the commissioner to report all final disciplinary actions against individuals practicing massage and bodywork therapy under chapter 146A to the board. Allows the commissioner to share investigatory data with the commissioner.
- 2 Registered massage and bodywork therapists.** Amends § 146A.09, by adding subd. 8. Provides that no individual who has had their registration suspended or revoked by the board may practice as an unlicensed complementary and alternative health care practitioner under chapter 146A during a period of suspension or revocation.
- 3 Municipal or city business license; massage.** Creates § 325F.816. Provides that an individual who has a municipal license to practice massage is prohibited from advertising as a licensed massage and bodywork therapist unless the individual has a valid professional credential from another state.
- 4 Effective date.** Makes this article effective August 1, 2016.
