This bill would provide an option for residents to purchase a temporary (30 day) trail pass in order to operate an off-road vehicle (ORV) on state and grant-in-aid ORV trails and use areas rather than registering their ORV. The pass would cost \$20, the same cost as the existing nonresident pass.

Under current law, a resident must register their vehicle, which costs \$30 for a three year registration, in order to operate on state or grant-in-aid ORV trails or use areas.
