This bill would appropriate \$150,000 onetime from the general fund for the Tractor Rollover Protection Pilot Grant Program. In 2016, the legislature established the program and funded it with a onetime appropriation of \$250,000 (Laws 2016, ch. 189, art. 2, §§ 2 and 8).

The bill would also decrease the amount of the appropriation that the Minnesota Department of Agriculture could use to promote and administer the grant program to eligible farmers and schools. The promotion and administration allowance would decrease from 20 percent (\$30,000 of the \$150,000 appropriation) to six percent (\$9,000).
