This bill appropriates \$350,000 for fiscal year 2018 and \$350,000 for fiscal year 2019 to fund the Veterans Defense Project (VDP), a Minnesota-based nonprofit. VDP is authorized to use the funds to serve veterans who are current residents of Minnesota. Areas of service include support through education, outreach, and legal assistance to those veterans involved in the criminal justice system. VDP seeks to use data from studies of PTSD in veterans to provide targeted services to the current generation of veterans.
