### Overview

Under current law, the MNsure Board, Commissioner of Health, and Commissioner of Human Services must provide quarterly reports to legislative committees on certain interagency and service-level agreements and agency transfers of appropriations. This bill eliminates the requirement that a copy of the agreement be included in the report, and instead requires the agencies to provide a copy of the agreement upon request.

#### Section

- 1 Reports on interagency agreements and intra-agency transfers.** Amends § 62V.05, subd. 12. Eliminates the requirement that the MNsure Board include a copy of the agreement, in their quarterly reports to legislative committees on interagency agreements and service-level agreements with an individual or cumulative value of more than \$100,000, and on agency transfers between accounts or between agencies of more than \$100,000. Requires the board to provide a copy of the agreement to the chairs and ranking minority members upon request.
- 2 Reports on interagency agreements and intra-agency transfers.** Amends § 144.05, subd. 6. Eliminates the requirement that the commissioner of health include a copy of the agreement, in quarterly reports to legislative committees on interagency agreements and service-level agreements with an individual or cumulative value of more than \$100,000, and on agency transfers between accounts or between agencies of more than \$100,000. Requires the commissioner to provide a copy of the agreement to the chairs and ranking minority members upon request.
- 3 Reports on interagency agreements and intra-agency transfers.** Amends § 256.01, subd. 41. Eliminates the requirement that the commissioner of human services include a copy of
