This bill appropriates \$10,000,000 in each year of the 2018-2019 biennium from the general fund to the commissioner of human services for the home and community-based services (HCBS) incentive pool. Makes the unencumbered balance in the first year available in the second year.

The HCBS incentive pool is a competitive grant program that provides incentives for innovation in achieving integrated competitive employment, living in the most integrated setting, and other outcomes determined by the commissioner.
