### Section

- 1 Critical access mental health rate increase.** Amends § 256B.763. Requires the medical assistance payment rate to mental health clinics and centers that are not designated as essential community providers under section 62Q.19 to be the same as the payment rate for those facilities that are designated as essential community providers under section 62Q.19, for the following services:
- (1) Group skills training as a component of mental health services
  - (2) Medication education services provided by adult rehabilitative mental health services providers
  - (3) Mental health behavioral aide services provided by children's therapeutic services and support providers
  - (4) Individual and family skills training provided by children's therapeutic services and support providers
