Overview

Replaces the current town local government aid (LGA) with additional town road aid. Because no effective date is specified, this requirement is effective July 1, 2017. It is not clear how this impacts certified Pay 2017 town LGA which would be paid in two installments under current law—in July and December.

Section

- 1 Annual appropriation.** Modifies the open and standing appropriation used to pay general purpose aids to local governments to pay additional town road aid under section 2.
- 2 Town roads.** Requires the commissioner of revenue to deposit \$10 million annually from the open and standing general fund appropriation under section 1 to the town road aid account. The money transferred will be distributed and used as required for other money in that account.
