This bill requires the MSFA to provide U.S. Bank Stadium suite access to nonprofit charitable organizations, if the MSFA contracts to have access to a stadium suite or seats during NFL events held at the stadium. Certain data about the organizations provided access is public. The authority must provide this access for at least half of the NFL events held at the stadium.

If a stadium suite is not being used by a nonprofit charitable organization during an NFL event, the authority may only use the suite for a legitimate business purpose.
