## Overview

This bill directs the commissioner of health to administer or contract for administration of a statewide tobacco quitline service, and appropriates money for this purpose.

### Section

- 1 Statewide tobacco quitline services.** Adds § 144.397. Directs the commissioner of health to administer or contract for administration of a statewide tobacco quitline service to help Minnesotans quit using tobacco products. Also requires statewide awareness activities to notify the public about the service. Lists services to be provided, and requires services to be evidence-based best practices and to be coordinated with other tobacco prevention and cessation services.
- 2 Appropriation.** Makes blank appropriations in fiscal years 2018 and 2019 from the general fund to the commissioner of health to administer or contract for administration of a statewide tobacco quitline service.
