Section

- 1 Expansion grant program.** Amends § 144.1506, subd. 2. Under current law a primary care residency program is eligible for a training grant for a residency slot for a three-year period. If a residency program has a longer duration than three years, this allows training grants to be awarded for the duration of the residency, but prohibits training grants from exceeding an average of \$100,000 per residency slot per year.
