This bill amends the effective dates for Laws 2017, First Special Session chapter 6, article 8, sections 71 and 72, which would extend provisions governing state-only MA funding payments for mental health services provided in children's residential facilities that have been determined by the federal Centers for Medicare and Medicaid Services to be institutions for mental disease, until July 1, 2021. The bill also extends the deadline for the children's mental health report until June 30, 2019.
