This bill broadens the definition of “position of authority” in the criminal sexual conduct statutes. Currently, felony penalties apply to an adult who sexually penetrates or contacts a 16 or 17 year old juvenile when the adult is in a position of authority over the juvenile. The bill extends the definition so that an adult who was recently (*i.e.*, within the past 120 days) in a position of authority over a 16 or 17 year old is also subject to criminal penalties for having a sexual relationship with the juvenile.

The bill also extends the definition of position of authority to cases where an adult “assumed” authority over a victim. Currently, the provision only applies when the adult is “charged” with providing some parental obligation to the juvenile.
