Sections 1 to 3 allow the appropriation bond sale authorization and proceeds for phase 2 of the Lewis and Clark Regional Water System project to also be used to begin phase 3 (the final phase) of the project. The phase 2 authorization was \$19 million and only \$11.79 million was issued. The bond proceeds are appropriated to the Public Facilities Authority to administer the grant(s) to the Lewis and Clark Regional Water Systems, Inc.

Sections 4 and 5 allow the Minnesota Housing Finance Agency to issue up to \$20 million more in housing infrastructure bonds payable within the existing annual general fund appropriation for debt service.
