Increases the per acre PILT payments for other natural resources land administered by either a county or the Department of Natural Resources (DNR) from \$1.50 per acre to \$2 per acre. Much of this land went to the county or state through tax forfeiture.

Effective beginning with calendar year 2018 payments.

Note: Most other PILT payments are \$5.133 per acre, or at the county option, 0.75 percent of the land's appraised value. (Payments on military refuge land is one-half of this amount).
