Increases the annual city local government aid (LGA) appropriation by about \$67.55 million—from \$519,398,012 to \$586,848,950. This new amount is equal to the amount of aid originally certified to be paid to all cities in calendar year 2003. (Actual total city LGA payments made in CY 2013 were reduced to \$464,941,977.)

Effective beginning with aids payable in 2018.
