Section

- 1** **Restricted construction or modification.** Amends § 144.551, subd. 1. Current law prohibits the construction of a new hospital and any hospital construction that increases hospital bed capacity or increases or redistributes hospital beds in the state. This section establishes an exception, to allow PrairieCare's inpatient psychiatric hospital for children and adolescents in Brooklyn Park to add 21 new beds to that facility. This section is effective the day following final enactment.
