Requires the Department of Revenue to reduce the county program aid (CPA) and the city or town local government aid (LGA) payment for each county, town, or city by the amount of its lobbying expenses for the previous year, as reported to the state auditor by January 31 of each year. The reduction includes both direct lobbying expenses and the share of association dues reported as lobbying expenses. No local government's aid may be reduced to less than zero.

Effective beginning with aids payable in 2018.
