Article 2: Courts

Overview

This article contains provisions relating to the courts.

- 1 **Actions under section 257.55, subdivision 1, paragraph (a), (b), or (c).** Changes when an action for nonpaternity can be brought in cases where the parents are married from two years after the father had a reason to believe he is not the father to three years. Removes the bar to bringing an action from three years after the child's birth. [H.F. 1719]
- 2 **Actions under other paragraphs of section 257.55, subdivision 1.** Creates a limit to the time in which an action for nonpaternity can be brought after a father starts holding a child out as his own without paternity being established under any other section. [H.F. 1719]
- 3 **Nonexistence of father-child relationship.** Provides what should be in a petition for nonpaternity, what factors the court should consider in determining nonpaternity, requires the proof to declare nonpaternity be proven by clear and convincing evidence, and provides what the court order must contain if the court grants the relief requested. Current law does not provide a specific procedure for declaring nonpaternity. [H.F. 1719]
- 4 **Action to vacate a recognition.** Allows an action to vacate a recognition of paternity to be brought within three years of the time the person believes the father listed on the recognition of parentage is not the father of the child. This section is effective on August 1, 2018, and applies to recognition of parentage signed on or after that date. [H.F. 1719]
- 5 **Appointment of counsel.** Permits the court to appoint counsel at public expense following a child's indicated desire for counsel. Requires the responsible social services agency to notify a child over age ten of the right to counsel no later than the hearing held pursuant to Rule 34 of the Minnesota Rules of Juvenile Protection Procedure, replacing the current requirement that notification take place within 14 days after the filing of a petition. Clarifies that the social service agency must inform the court of the child's decision unless the court has already appointed counsel. Requires the social service agency to provide notice to a child no later than the first court hearing after the child turns ten. [H.F. 3984]
- 6 **Waiver.** Clarifies that a child's waiver of the right to counsel must be made in writing or on the record and after the responsible social service agency informed the child of the right to counsel. Permits a child to revoke a waiver of counsel at any time in any juvenile protection

Section

proceeding including (1) a child in need of protection or services matters; (2) permanency matters, including termination of parental rights; (3) postpermanency reviews; and (4) adoption matters. [H.F. 3984]

7 **Fee amounts.** Reduces the filing fee to renew a judgment on a consumer credit transaction from \$285 to \$40 for both plaintiffs and defendants. [H.F. 3958]

8 **Reopening.** Provides that in actions to review a divorce decree for issues of mistake, fraud, or other reasons, when the action is to declare the nonexistence of the father and child relationship then the action must be brought within a reasonable time and within three years of the time the person has reason to believe the father is not the father of the child. Current law for all motions under this section is that the action must be brought within one year of the entry of the judgment and decree. [H.F. 1719]

9 **When owed; rate.** Removes the ten percent interest rate from the period between commencement of suit and entry of judgment for judgments or awards of \$50,000 or more. Interest is added to civil judgments by looking at three time periods:

- from commencement of the suit or claim until a verdict or award (paragraph (b));
- from verdict or award until entry of judgment by a court (paragraph (a)); and
- from entry of judgment until payment (paragraph (c)).

Under current law, the interest rate on judgments or awards of \$50,000 or more is ten percent for all three time periods, except that it is not applied to the state or political subdivisions of the state. The interest rate on judgments under \$50,000 is set by the court administrator based on the secondary market and calculated as a simple interest per year, but is no less than four percent. This section would give all state and nonstate civil judgments the same interest rate for the period from commencement of the suit or claim until the entry of judgment but would exempt cases where an insured person was awarded a judgment against some insurers for a failure to provide payment, which is set by statute at ten percent. Minn. Stat. § 60A.0811. The interest rate on judgments or awards of \$50,000 or more would remain ten percent for the period from entry of judgment until payment. [H.F. 1281]

10 **Definition.** Amends the definition of “exonerated” to mean either:

- a court vacated or reversed a judgment of conviction on grounds consistent with innocence and either (a) there are no remaining felony charges in effect against the petitioner arising from the same behavioral incident or (b) if there are remaining felony charges arising from the same behavioral incident, the prosecutor dismissed those charges; or
- a court ordered a new trial on grounds consistent with innocence and either (a) the prosecutor dismissed all felony charges against the petitioner that arose from the same behavioral incident or (b) the petitioner was found not guilty of all felony charges that arose from the same behavioral incident.

Further amends the definition to apply only to situations where 60 days have passed since the court reversed or vacated the judgment of conviction and either (a) the prosecutor has not filed new felony charges arising out of the same behavioral incident or (b) any newly filed felony charges were dismissed or resulted in a not guilty verdict at trial. Defines “on grounds

Section

consistent with innocence” as either exonerated through (1) a pardon based on factual innocence or (2) the vacation or reversal of a judgment of conviction based on evidence of factual innocence. [H.F. 3677]

- 11 **Procedure.** Eliminates a deadline for individuals exonerated before the law went into effect in 2014 which required those individuals to file a petition for compensation based on exoneration by July 1, 2016. Permits a person who did not meet both requirements of subdivision 1, clause (1), item (i) before July 1, 2018 to file a petition for compensation based on exoneration at any time between July 1, 2018 and July 1, 2020. [H.F. 3677]
- 12 **Elements.** Removes references to “in prison” and “imprisonment” and inserts the term “incarceration.” Expands the category of individuals permitted to file a petition for compensation despite serving a term of incarceration for another crime to include those sentenced to additional executed sentences that had been stayed, but were executed as a result of the conviction that is the basis of the petition. [H.F. 3677]
- 13 **Order.** Replaces the term “imprisonment” with “incarceration.” [H.F. 3677]
- 14 **Common law crimes abolished.** Amends the statute abolishing common law crimes to clarify that the common law doctrine known as amelioration does not apply unless a statute specifically states otherwise. The amelioration doctrine arises from common law. Under the doctrine, an act mitigating or otherwise reducing the punishment for an offense applies to all cases that were not final at the time the new law took effect, even if the offense took place earlier. [H.F. 2855]
- 15 **Reimbursement; monetary damages; attorney fees.** Establishes \$100,000 as the maximum amount of statutory damages a person can receive for each year of incarceration and permits a person to apply for additional actual damages. [H.F. 3677]
- 16 **Limits on damages.** Replaces the term “imprisonment” with “incarceration.” [H.F. 3677]
- 17 **Compensating exonerated persons; appropriations.** Removes the requirement that consideration of an appropriation for the amount of any award to an exonerated person take place during the next legislative session. [H.F. 3677]
- 18 **Short title.** Amends the title of provisions related to compensation based on exoneration from the “Imprisonment and Exoneration Remedies Act” to the “Incarceration and Exoneration Remedies Act.” [H.F. 3677]
- 19 **Application and orders.** Amends the statute concerning the sealing and disclosure of a warrant for wire, electronic, or oral communications to distinguish and exempt location-tracking warrants from the general requirements. Location-tracking warrants have unique restrictions and requirements under statute. [H.F. 2309]
- 20 **Nondisclosure of existence of pen register, trap and trace device, or mobile tracking device.** Amends the statute concerning the sealing of a warrant for a pen register, trap-and-trace device, or mobile tracking device to distinguish and exempt location-tracking warrants from the requirements. [H.F. 2309]
- 21 **Limitations on recording or broadcasting criminal proceedings.** Requires the consent of any defendant or victim before any person can record or broadcast a criminal matter. Currently, court rules govern audio and video coverage of criminal matters. [H.F. 3436]

- 12 Removal of data from system.** Allows the Bureau of Criminal Apprehension (BCA) to retain records for three years after a person is released from the custody of the commissioner of corrections if the commissioner documents activities meeting the criminal gang identification criteria that took place while the inmate was confined in a state correctional facility. The BCA maintains a computerized criminal gang investigative data system for the purpose of assisting criminal justice agencies in the investigation and prosecution of criminal activity by gang members. An individual's information is placed in the database if that individual is involved in criminal gang activity and meets at least three of the nine criteria established by the Violent Crime Coordinating Council. Under current law, the BCA must destroy data entered into the system within three years of entry unless the individual is convicted, adjudicated delinquent, or has a stayed adjudication during the three year period after data is entered into the system. In that case, records are maintained for an additional three years. [H.F. 3504]

- 20** **Working group examining crimes against vulnerable adults.** Establishes a working group to examine crimes against vulnerable adults, and lists members of the working group, including four legislators, and others who are appointed by the commissioner of public safety. Requires the working group to review whether existing laws establishing crimes against vulnerable adults accurately identify crimes and apply appropriate penalties, and to recommend changes to better protect vulnerable adults. Establishes meeting requirements, and provides that members of the working group shall serve without compensation or reimbursement for expenses. Requires the working group to submit a report and draft legislation to the legislative committees with jurisdiction over health and human services policy and criminal justice policy by January 15, 2019. - 22** **Repealer.** Repeals section 401.13 which directs the commissioner to charge the Community Corrections Act (CCA) counties the full per diem cost for juveniles confined in a state correctional facility. This change treats CCA counties in the same manner as other counties from which the commissioner of corrections charges 65 percent of the per diem cost of confinement of juveniles. **[H.F. 3354]**

- 8 **Firefighters and medical personnel.** Amends section 609.2231 which criminalizes assaults on firefighters and emergency medical personnel. The bill makes the following changes to the statute:
 - Expands the class of protected persons to include all medical providers who work in a hospital. The current law applies only to medical providers who work in a hospital emergency room.
 - Creates a gross misdemeanor penalty for a physical assault on a firefighter or a medical provider who works in a hospital where the assault does not cause demonstrable bodily harm. The current law applies only when there is demonstrable bodily harm.

[H.F. 4140]
- 12 **Community service in lieu of minimum fine.** Includes the minimum fine of \$3,000 for repeat offenders in the list of fines that can be converted to community work service if the court finds that the offender is indigent or payment of the fine would create undue hardship for the person or that person's immediate family. [H.F. 4140]
- 13 **Theft.** Increases the penalty for repeated theft offenses. Under current law, theft of property or services with a value of \$500 or less is a misdemeanor. This bill would increase the penalty for that offense to a gross misdemeanor if the offender has two prior theft offenses in the previous five years, and to a felony for a person with 24 prior theft offenses in the previous five years. [H.F. 3505]

Section

sexually penetrates or contacts a 16 or 17 year old juvenile when the adult is in a position of authority over the juvenile. This section:

- Extends the definition so that an adult who was recently (*i.e.*, within the past 120 days) in a position of authority over a 16 or 17 year old is also subject to criminal penalties for having a sexual relationship with the juvenile. [H.F. 3260]
- Extends the definition of position of authority to cases where an adult “assumed” authority over a victim. Currently, the provision only applies when the adult is “charged” with providing some parental obligation to the juvenile. [H.F. 3260]
- Extends the coverage of the statute to students who are up to the age of 21 for purposes of the new secondary school position of authority offenses created in sections 9 and 11. [H.F. 3203]

- 8 **Criminal sexual conduct in the second degree; penalty.** Provides notice that persons convicted of CSC-2 are subject to extended probation and intensive probation. [H.F. 2944]
- 9 **Crime defined.** Contains three changes to the offense of 3rd degree criminal sexual conduct:
 - Updates a reference to “position of authority” to reflect changes made to the definition of the term in section 2. [H.F. 3260]
 - Establishes a new third degree criminal sexual conduct offense for secondary school employees and independent contractors who sexually penetrate a student enrolled at the perpetrator’s school, the student is between the age of 16 and 21, and the actor is in a position of authority over the student. A violation of this provision is a felony and subjects the offender to incarceration for up to 15 years. Neither mistake of age nor the consent of the student is a defense. [H.F. 3203]
 - Creates a new criminal sexual conduct offense specific to peace officers. Prohibits a peace officer from sexually penetrating a person who is restrained by the peace officer or otherwise does not reasonably feel free to leave the officer’s presence. A peace officer would not be entitled to assert victim consent as a defense. Provides an exception for lawful searches. [H.F. 3371]

Article 6: Predatory Offenders

Overview

This article contains a variety of provisions modifying the process of predatory offender registration.

- 1** **Filing photograph or image.** Authorizes the use of an offender's driver's license photograph to locate a non-compliant predatory offender. [H.F. 3578]

Section

- 2** **Definitions.** Defines “social media” and “watercraft” for purposes of the predatory offender registration statute. [H.F. 3578]
- 3** **Registration required.** Adds offenses to the list of crimes that require predatory offender registration.
- Adds the state offense of nonconsensual dissemination of private sexual images and the federal offenses of video voyeurism of a minor, transporting minors for illegal sexual activity, and transmitting information about a minor to further criminal sexual conduct. [H.F. 3578]
 - Requires offenders who receive stays of adjudication for criminal sexual conduct offenses to register as predatory offenders. The sentencing court may excuse juvenile offenders from this requirement for good cause. [H.F. 2906]
- 4** **Notice.** Provides the correct name for a court form and directs that local law enforcement with jurisdiction over an offender provide notice of the registration requirements to the offender, if the offender does not have an assigned corrections agent. [H.F. 3578]
- 5** **Contents of registration.** Requires collection of a DNA sample as part of registration. Expands the amount of time an offender has to return verification forms, but the time begins to run from the date the BCA mails the verification form. Authorizes a corrections agent or law enforcement authority to determine if an individual is in compliance with the registration requirements at any time and at any frequency chosen by the agent or authority. Establishes the protocol that existing registrants who do not already have a DNA sample on file will comply with the new DNA requirement. [H.F. 3578]
- 6** **Information required to be provided.** Expands the items that offenders must report to include secondary addresses wherever located, expiration date of license plate tabs, driver license or government identification card number, watercraft ownership, social security number, email addresses, social media accounts, telephone numbers (home, work, school, cell), passport number and country of issuance, and professional licensing information. [H.F. 3578]
- 7** **Notices in writing; signed.** Defines a signature to include ink, electronic means established by the BCA, or biometrics established by the BCA. [H.F. 3578]
- 8** **Travel.** Requires offenders traveling outside of the United States to notify their agent or local law enforcement of their travel dates, locations, flight information, purpose of travel, visa information, and other itinerary information requested by the agent or local law enforcement. The information must be provided 21 days in advance of travel and forwarded to the BCA. Establishes guidelines if offender travel must occur sooner than 21 days or if there is an emergency. The BCA is required to share this information per federal law with federal agencies who share the travel information with the destination country. These changes are intended to conform to the federal International Megan’s Law. [H.F. 3578]
- 9** **Criminal penalty.** Removes the word “knowingly” from the criminal penalty section of the predatory offender statute. This change is in response to *State v. Mikulak*, a recent Minnesota Supreme Court decision which overturned a conviction for failing to register as a

Section

predatory offender because the defendant claimed he did not know about the specific registration requirement that he was convicted of violating. [H.F. 3578]

- 10 **Registration period.** Establishes that failure to comply with section 8 (notice of travel) will subject an offender to an extended registration period (5 years). Also provides that if an individual is not in compliance with his registration requirement at the end of his registration period, the offender is required to register for an additional two years. [H.F. 3578]
- 11 **Use of data.** Ensures that corrections agents share predatory offender data with child protection services as required under section 244.057. (See also section 13.) [H.F. 3578]
- 12 **Availability of information on offenders who are out of compliance with registration law.** Authorizes the BCA to disclose to the public that an offender—who is over 16 years old and out of compliance for 30 days or more—is out of compliance because the offender did not return a verification form or absconded. [H.F. 3578]
- 13 **Database of registered predatory offenders.** Ensures that corrections agents share predatory offender data with child protection services as required under section 244.057. [H.F. 3578]

Article 7: DWI

This article contains provisions allowing the use of an out-of-state conviction for criminal vehicular homicide or injury to be used to enhance a DWI charge in Minnesota and expanding the required use of ignition interlock.

- 1 **Degree described.** Expands the list of prior convictions that enhance an offense to first-degree driving while impaired by including convictions for a felony in another state for criminal vehicular homicide and injury committed while under the influence of a substance when the other state's statute is in conformity with Minnesota law. Under current law, a person who drives while under the influence commits a first-degree offense if the person:
 - commits the violation within ten years of the first of three or more qualified prior impaired driving incidents;
 - has previously been convicted of a first-degree driving while impaired offense; or
 - has previously been convicted of a felony under Minnesota statutes addressing criminal vehicular homicide and injury committed while under the influence of a substance.

A qualified prior impaired driving incident can take place under Minnesota law or under the law of another state that is in conformity with Minnesota law. [H.F. 2856]

- 2 **Reinstatement of driving privileges; multiple incidents.** Requires certain DWI offenders to either (1) participate in the ignition interlock program or (2) not own or lease a vehicle and have no DWI or driver's license violations before the person's driver's license may be reinstated.

For a person who uses ignition interlock, that person must comply with the program for one year if the individual's license was revoked for (1) a second qualified prior impaired driving

Section

incident in ten years or (2) a third qualified prior impaired driving incident in the person's lifetime. The provision requires two years of ignition interlock for a person whose license was revoked for either of those reasons and the person either (1) had an alcohol concentration of twice the legal limit or (2) refused to submit a required breath, blood, or urine sample. Under current law, offenders with fewer than three DWIs may either: (1) go on ignition interlock to be able to drive during their revocation period; or (2) not drive and "wait out" the revocation period. At the end of the revocation period, the offender can seek reinstatement of full driving privileges regardless of which option was chosen.

Requires the commissioner of public safety to follow the full rulemaking process in establishing performance standards and a process for certifying chemical monitoring devices. Under current law, those standards and procedures are exempt from rulemaking requirements. [H.F. 3726]

- 3 **Driving after a DWI-related suspension, revocation, or cancellation; misdemeanor.** Creates a misdemeanor offense for driving after a driver's license has been suspended, revoked, or cancelled for a DWI-related offense and prohibits the Judicial Council from including this offense on the Statewide Payables List. The new offense does not replace the crime of driving with a license cancelled because the person's operation of a motor vehicle would be inimical to public safety. [H.F. 3726]
- 4 **Conditions of issuance.** Allows limited licenses for DWI offenders with drug-related offenses. Limits limited licenses under the ignition interlock program to only DWI offenders with alcohol-related offenses. [H.F. 3726]
- 5 **Other waiting periods.** Reinstates pre-2011 hard revocation periods that apply before a DWI offender with a drug-related offense can receive a limited license. [H.F. 3726]
- 6 **Definitions.** Limits participation in the ignition interlock program to DWI offenders with alcohol-related offenses. [H.F. 3726]
- 7 **Performance standards; certification; manufacturer and provider requirements.** Requires contracts between ignition interlock manufacturers and program participants to include a provision requiring the manufacturers to pay any towing or repair costs caused by device failure or malfunction, or by damage caused during device installation, servicing, or monitoring.
