Overview

This bill, as proposed to be amended by the H3282DE2 delete-everything amendment, would revise regulations for household goods movers to eliminate a mandate on filing tariffs with the Minnesota Department of Transportation (MnDOT).

Section

- 1 **Continuation of carrier rules.** Makes a conforming change.
- 2 **Order.** Eliminates the authority of MnDOT to issue commissioner's orders regarding tariffs and accounting.
- 3 **Amount of penalty; considerations.** Eliminates the authority of MnDOT to assess administrative penalties for motor carrier violations related to tariffs and accounting requirements. Makes technical changes.
- 4 **Registration, insurance, and filing requirements.** Makes a conforming change.
- 5 **Tariff maintenance and contents.** Narrows a provision on household goods mover tariffs (i.e., lists of rates and terms for specified services) to eliminate a requirement that tariffs must be filed with and reviewed by MnDOT. Identifies required content of the tariff, which is by reference to federal law.
- 6 **Tariff availability.** Sets requirements on accessing household goods mover tariffs, including maintaining tariffs at places of business and making the tariffs available for public inspection.

Section

- 7** **Compensation fixed by schedule on file.** Makes technical and conforming changes.
- 8** **Repealer.** Repeals provisions on the administrative process for household goods mover tariffs filed with MnDOT.
