Section

- 1 Campus support.** Appropriates \$10 million in FY19 from the general fund to MnState for allocation to the system campuses according to the system's allocation framework.
- 2 Student record system.** Appropriates an additional \$21 million in FY19 from the general fund to MnState for upgrading their student record system—replacing the current Integrated Statewide Record System (ISRS) with “NextGen.” MnState requested \$25 million for the NextGen update in its biennial budget request. In the 2017 omnibus, the legislature appropriated \$4 million in FY18 and \$4 million in FY19 for this purpose.
