This bill appropriates \$400,000 in fiscal year 2019 from the general fund to the commissioner of human services for a grant to Olmsted Outreach for Project Legacy to provide counseling and outreach to youth and young adults from families with a history of generational poverty. Requires money from this appropriation to be spent on mental health care, medical care, chemical dependency intervention, housing, and mentoring and counseling services for first generation college students. Specifies this is a onetime appropriation.
