This bill would eliminate obsolete statutory language that requires a onetime transfer of \$22 million from the General Fund to the Clean Water Fund. As required by law, Minnesota Management and Budget executed this transfer once the agency's February 2018 Budget and Economic Forecast projected a sufficient general fund surplus for the fiscal years 2018-2019 biennium. The transfer requirement was enacted in 2017 (Laws 2017, First Special Session chapter 1, article 11, section 1).
