

Subject Veteran Domestic Abuse Prevention Program

Authors Johnson

Analyst Jeff Diebel

Date February 11, 2019

Overview

This bill funds a domestic abuse prevention program that provides interdisciplinary, trauma-informed treatment and evidence-informed intervention for veterans and current or former service members and their families affected by domestic violence. The commissioner of public safety will receive \$398,000 each year to issue as a grant to the entity selected to administer the domestic abuse prevention program.
