Overview

Under MA, coverage of dental services for nonpregnant adults is limited to the services specified in law. This bill expands dental coverage for this group of enrollees, to include nonsurgical treatment for periodontal disease.

Summary

Section	Description
1	<p>Dental services. Amends § 256B.0625, subd. 9.</p> <p>Expands MA coverage of dental services for nonpregnant adults, to include coverage of nonsurgical treatment for periodontal disease, including scaling and root planing once every two years for each quadrant, and routine periodontal maintenance procedures.</p>
