

Subject Washburn Center for Children appropriations

Authors Edelson and others

Analyst Anna Scholin

Date February 15, 2019

Overview

This bill makes two onetime appropriations in fiscal year 2020 from the general fund to the Washburn Center for Children:

- \$1,000,000 to fund training and hiring 40 additional children's mental health therapists.
- \$400,000 to fund 40 paid clinical fellowships for masters and doctorate level professionals of color in children's mental health treatment.
