Overview

House File 1384 authorizes Tribal organizations with child care programs and Head Start programs to contract with the commissioner of Human Services to conduct background studies on individuals affiliated with Tribal child care organizations and Head Start programs.

Summary

Section	Description
1	Background study; Tribal organizations. Authorizes tribal organizations to contract with the commissioner of human services to conduct background studies of individuals affiliated with a child care program sponsored, managed, or licensed by a tribal organization.
2	Background study; Head Start programs. Authorizes Head Start programs to contract with the commissioner of human services for background studies. Exempts a Head Start program that does not contract with the commissioner, is not licensed, and is not registered for funding under chapter 119B from chapter 245C.
