

**Subject** Youthprise Opportunity Reboot appropriation

**Authors** Lippert and others

**Analyst** Anna Scholin

**Date** March 20, 2019

## Overview

This bill appropriates \$1,000,000 in fiscal year 2020 and the same amount in fiscal year 2021 from the workforce development fund for a grant to Youthprise for Opportunity Reboot, a statewide initiative to address the economic challenges of disconnected youth. Youthprise will use the funds to make grants to other organizations to support creating career pathways for disconnected youth through secondary and postsecondary education, supportive services, and assistance in securing industry-recognized credentials. This is a onetime appropriation and requires a 50 percent match from nonstate sources.
