

Subject Water Related Notifications

Authors Claflin

Analyst Janelle Taylor

Date February 25, 2019

## Overview

This bill would allow the Department of Natural Resources (DNR) to accept and submit certain water permit related information, forms, and notices electronically.

## Summary

Section	Description
1	<b>Conditions to affect public waters.</b> Allows contractors and others to submit required landowner statements for work done in public waters electronically.
2	<b>Form for compliance.</b> Conforming change.
3	<b>Applications for groundwater appropriations; preliminary well-construction approval.</b> Allows the DNR to provide preliminary well construction approval notices electronically.
4	<b>Hearing notice.</b> Allows the DNR to send required water permit hearing notice summaries electronically to counties and other local governments.
5	<b>Demand for hearing.</b> Conforming change.
6	<b>Notice of permit order.</b> Allows the DNR to submit electronic copies of public water work permit orders following a hearing to interested parties.
7	<b>Temporary drawdown of public waters.</b> Allows the DNR to send hearing notices for temporary drawdowns of public waters electronically to counties and other local governments.

Section	Description
8	<b>Invasive aquatic plant management permit.</b> Allows notification of landowners regarding invasive aquatic plant management permit activities to be done electronically.
