

Subject Extra LGA to the city of Floodwood

Authors Sandstede

Analyst Pat Dalton

Date March 7, 2019

Overview

Beginning with aids payable in 2020 and thereafter, permanently increases the aid to the city of Floodwood by \$35,000. Under current law this would come from aid reallocated from cities whose current LGA is more than the formula says they need in 2020 and reduce aid increases to other cities by an equal amount.

Also deletes obsolete provisions.

Effective for aids payable in 2020 and thereafter.
