

**Subject** Aitkin County taxes in unorganized townships

**Authors** Lueck

**Analyst** Matt Burress, Legislative Analyst (matt.burress@house.mn)

**Date** February 24, 2020

## Summary

This bill authorizes Aitkin County to: (1) centralize road and bridge fund tax proceeds collected in the county's unorganized townships (i.e., areas without organized town government), rather than keep separate accounts for each unorganized township; and (2) use the funds in any unorganized township. Local approval is required for the provision to be effective.
