## Overview

This bill appropriates \$50,000 in fiscal year 2020 from the general fund to the commissioner of human services for a transitional housing and support program located in Rice County that serves women and children in crisis. Allows the appropriation to be used to enhance current services and support provided by the program and to determine if the program's model can be expanded statewide. Requires the program to submit data related to program outcomes to the commissioner. Requires the commissioner to report to the legislature on the outcomes of the program and provide recommendations on expanding the program's model statewide by February 1, 2020. Specifies this is a onetime appropriation.
