

Subject Center for Victims of Torture integrated care model

Authors Wazlawik and others

Analyst Sarah Sunderman

Date March 27, 2019

Overview

This bill requires the commissioner of human services and the Center for Victims of Torture to collaborate to develop a pilot project to provide mental health targeted case management under an integrated care model to individuals eligible for medical assistance. The bill also requires an evaluation and report on the Center for Victims of Torture's social functioning tool, and appropriates money.

Summary

Section	Description
1	<p>Integrated care model; mental health case management services by Center for Victims of Torture.</p> <p>Amends § 256B.0625 by adding subd. 20c.</p> <p>Paragraph (a) requires the commissioner to collaborate with the Center for Victims of Torture to develop a pilot project to support the continued testing of an integrated care model for mental health targeted case management at three designated sites.</p> <p>Paragraph (b) requires the commissioner to contract directly with the center to provide services, at \$695 per member, per month, with state funding.</p> <p>Paragraph (c) specifies that individuals being served by the center who are eligible for MA and eligible to receive mental health targeted case management will be served using the integrated care model and evaluated using the center's social functioning tool.</p> <p>Paragraph (d) requires the commissioner to collaborate with the center to evaluate whether the social functioning tool can be adapted for more general use. Requires a report to the legislature by July 1, 2020, and annually thereafter, on the results of the evaluation.</p>
2	<p>Appropriations.</p> <p>Appropriates \$1,000,000 in fiscal year 2020 for a grant for start-up and operating costs at the three service sites providing mental health targeted case management under the integrated care model pilot project.</p>

Section	Description
	Appropriates \$500,000 in fiscal year 2020 for the evaluation of the social functioning measurement tool.
