Summary

Section	Description
1	<p>Active member.</p> <p>Amends the definition of “active member” by placing the necessary qualifications in clauses and reducing the requirement that the person be a member of an organization for at least six months to the most recent 90 days.</p>
2	<p>Conduct of bingo.</p> <p>States that bingo gift certificates must only be sold for face value.</p>
3	<p>Lessor’s immediate family.</p> <p>Adds electronic linked bingo games to the games that a lessor’s immediate family may not participate in as a player.</p>
4	<p>Required record of receipts.</p> <p>Restructures the subdivision to include paragraphs. Adds the requirement that organizations keep a bingo gift certificate log.</p>
5	<p>Accounts.</p> <p>Amends the deadline to record electronic gambling receipts and deposit such receipts into the gambling bank account. Currently, such action must take place either when the total net receipts from all electronic games reach the sum of \$2,000 or on or before the first day of the month immediately following the month during which the receipts were generated, whichever occurs first. The bill would require recording and deposit of the receipts when they total \$2,000 <u>and</u> within four business days of the first day of the month following the month during which the receipts were generated.</p>
