

Subject County substance use disorder staff qualifications

Authors Albright and others

Analyst Sarah Sunderman

Date March 13, 2019

Overview

This bill directs the commissioner of human services to consult with county agencies to develop criteria and a process for granting variances to county staff qualifications to conduct comprehensive assessments and care coordination. The bill also requires the commissioner to determine acceptable alternative staff qualifications and issue a bulletin to counties outlining the variance process by December 1, 2019.
