Date March 19, 2019

Overview

This bill appropriates \$600,000 each year from the general fund to the commissioner of public safety for grants to the MN Emergency Medical Services Regulatory Board for the East (Regions Hospital) and West (HCMC) Metro Medical Resource Control Centers that were in operation before January 1, 2000. The January 1, 2000, date ensures that only the two current Metro Resource Control Centers are eligible for the grants.
