Overview

This bill requires a school district to notify families of the policy on student absence for religious holidays, and allows a district to consider the community's religious observance when determining the school calendar.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | Absence from school for religious holiday.
Requires a school district to provide annual notice to parents of the district's policy on student absence for religious observance. |
| 2 | School calendar.
Allows a school board to consider the community's religious observance when it determines the school calendar. |
