Overview

Raffles conducted by a school district or a nonprofit organization organized primarily to support programs of a school district are not considered criminal gambling if they meet five statutory requirements. This bill amends one requirement to allow the proceeds of a raffle to be used for a broader category of activities.

Summary

Section	Description
---------	-------------

1	High school raffles.
---	-----------------------------

	Permits a high school to use proceeds from a raffle for any high school activities approved by the school board. Under current law, the proceeds may only be used to defray the costs of sending event participants to high school activities held at other locations.
