

Subject Air Medal special license plate

Authors Pryor and Becker-Finn

Analyst Matt Burress, Legislative Analyst (matt.burress@house.mn)

Date February 27, 2020

Summary

This bill creates a new special license plate for veterans who have received the Air Medal, which is awarded for acts of heroic, outstanding, or meritorious achievement while in aerial flight. It is effective January 1, 2021 (which is after the planned deployment date for the replacement motor vehicle information technology system).
