Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | Safe and supportive schools programming [§121A.031, subd. 5]
Changes from encouragement to a requirement that school districts engage in a variety of actions related to anti-bullying and school climate. |
| 2 | State model policy [§121A.031, subd. 6]
Requires the commissioner of MDE to develop resources for school districts around creating positive school climates as well as social and emotional learning focused on anti-discrimination and avoiding bullying and other bad conduct. The section also requires the commissioner of MDE create state standards for social, emotional, and cognitive development. |
| 3 | Admission or readmission plan [§121A.47, subd. 14]
Modifies the provision related to an admission or readmission plan for students excluded or expelled from school. The section adds options for inclusion in such plans including social and emotional learning and a variety of support services. |
