## Summary

Provides a refundable sales tax exemption on materials, supplies, and equipment used in construction of a new fire station in the city of Bloomington, provided the purchases occur after December 31, 2020, and before January 1, 2023.

The tax is paid at the time of purchase and the city must apply for a refund. This bill is similar to the exemptions granted to a number of fire stations in the 2019 omnibus tax bill.
