Summary

Section	Description
---------	-------------

- | | |
|---|--|
| 1 | <p>Individualized education programs [§125A.08]</p> <p>Requires a school district to ensure a paraprofessional reviews a student's IEP and collaborates with the case manager, during paid work time, before beginning work with a student with a disability. The section also requires a school district provide 16 hours of paid orientation or professional development annually to all paraprofessionals, Title I aides, and other instructional support professionals, half of which must relate to a paraprofessional's responsibilities related to IEPs.</p> |
| 2 | <p>Appropriation.</p> <p>Appropriates a yet unspecified amount to the commissioner of education for the paraprofessional training under section 1.</p> |
