

Subject Grant provided to Avivo

Authors Klevorn and others

Analyst Sean Williams

Date March 6, 2020

Summary

The bill appropriates \$250,000 to the Office of Higher Education for a grant to Avivo's Institute for Career and Technical Education. The grant must be used to provide low-income individuals with career pathways and job skills training that is integrated with chemical and mental health services.

Avivo is a 501(c)(3) nonprofit that provides chemical and mental health services, career education, and employment services.
