

**H.F. 4072**

As amended by H4072DE2

Subject Farm safety  
Authors Ecklund and others  
Analyst Colbey Sullivan  
Date March 11, 2020

**Summary**

As amended, this bill would require the Minnesota Department of Agriculture (MDA) to consult the Minnesota Department of Labor and Industry, University of Minnesota Extension, and stakeholders and recommend how best to provide financial and technical workplace safety assistance to Minnesota farmers. The MDA would report to certain legislative committees by January 15, 2021.
