Summary

Appropriates \$688,000 in FY2021, and sets the base amount at \$690,000, to the state auditor for a division dedicated to auditing school districts. Authority for the state auditor to audit school districts, under certain circumstances, exists in Minnesota Statutes, section 6.54. The bill also postpones until July 1, 2024, the ability of the state auditor to bill such audits to school districts.
