Overview

This is the 2020 omnibus supplemental agriculture finance bill. It provides supplemental funding in fiscal years 2020 and 2021 to the Minnesota Department of Agriculture (MDA) for specified purposes, establishes and funds a farm safety grant and outreach program, and gives MDA discretion to issue a food handler license to a person or company with a water supply or disposal system that does not satisfy relevant state standards.

Article 1: Agriculture Appropriations

This article authorizes additional funding for MDA in fiscal years 2020 and 2021 for specified purposes, including grants to the University of Minnesota, retail food handlers, and certain producers in farmer-lender mediation.

Section Description – Article 1: Agriculture Appropriations

- 1 Agricultural marketing and development.**

Provides additional funding to MDA in fiscal year 2021 for farm and rural mental health services and expands eligible uses to include suicide prevention training, and mental health awareness and training for farm and rural adolescents. Specifies that this new money is for outreach and services that are eligible for federal reimbursement under the Coronavirus Aid, Relief, and Economic Security (CARES) Act.
- 2 Agriculture, bioenergy, and bioproduct advancement.**

Reduces funding for the Agriculture Research, Education, Extension, and Technology Transfer (AGREETT) Program in fiscal year 2021 and specifies that this reduction is to the allocation for avian influenza research. Allocates funding in fiscal year 2021 for testing equipment and supplies at the University of Minnesota's Veterinary Diagnostic Laboratory. Provides additional funding to MDA in fiscal year 2020 to assist farmers and value-added agricultural businesses negatively impacted by the COVID-19 pandemic. MDA must provide this assistance through the Agricultural Growth, Research, and Innovation (AGRI) program in a manner that is eligible for

Section Description – Article 1: Agriculture Appropriations

- federal reimbursement under the CARES Act. Requires MDA to give additional preference to meat and poultry processors when awarding AGRI Value-Added grants in fiscal year 2021.
- 3 **Administration and financial assistance.**
Provides additional funding to MDA in fiscal year 2021 for farm advocate services. Specifies that this new money is for services eligible for federal reimbursement under the CARES Act.
- 4 **Farm safety grant and outreach; appropriation.**
Appropriates money to MDA in fiscal year 2021 for the farm safety grant and outreach program established in article 2 and specifies how this money is to be allocated among eligible uses.
- 5 **Appropriation; farm crisis loan origination fee grant program.**
Appropriates money to MDA in fiscal year 2020 for grants to farmers who have a net worth of less than \$800,000, are participating in farmer-lender mediation or have received a mediation notice pursuant to the Farmer-Lender Mediation Act, and have been approved for a debt restructuring loan guaranteed by the United States Department of Agriculture or a loan through the Rural Finance Authority. Grants would be equal to 50 percent of the loan origination fee paid by an eligible farmer. Authorizes MDA to use up to ten percent of the appropriation to administer the grants.
- 6 **Retail food handler safety; appropriation.**
Appropriates money to MDA in fiscal year 2020 for grants to grocery stores and other MDA-licensed retail food handlers to execute Centers for Disease Control and Prevention and Minnesota Department of Health COVID-19 requirements, guidance, and recommendations, and to develop safety procedures, update and retrofit retail locations, purchase personal protective equipment for employees, and educate the public on the need to follow safety procedures. Limits grants to \$500 per store and a total of \$2,000 for businesses with multiple locations.
- 7 **Alternate appropriation.**
Requires Minnesota Management and Budget to determine if the activities that receive funding under this act are eligible for federal reimbursement under the CARES Act. If so, the funding would come from this federal aid instead of the state general fund.

Article 2: Statutory Provisions

This article establishes a farm safety grant and outreach program at MDA and authorizes MDA to issue food handler licenses in certain circumstances. Under current law and this article, a state food handler license issued by MDA is generally required for permanent and mobile retail food establishments, food wholesalers, food processors, food manufacturers, and food brokers.
