### Overview

This bill requires the executive director of the POST Board to appoint a critical incident review team after each peace officer shooting and officer-involved death.

### Summary

Section	Description
1	<b>Discharge firearm; kill animal.</b> Contains a technical conforming amendment.
2	<b>Critical incident review team.</b> Directs the executive director of the POST Board to appoint a critical incident review team (CIRT) after each peace officer shooting and officer-involved death. Each CIRT is charged with identifying and analyzing the causes of the incident under investigation. The CIRT shall prepare a report and make recommendations on necessary corrective actions. The POST Board must file a report with the legislature every other year summarizing the work of CIRT teams.
3	<b>Definitions.</b> Defines terms contained in section 626.553.
