

Subject Mental health designation on driver's licenses and identification cards

Authors Vogel and others

Analyst Matt Burress (matt.burress@house.mn)

Date February 11, 2019

Overview

This bill allows a driver's license or Minnesota identification card holder to optionally add a designation to the card that the person has been diagnosed with an autism spectrum disorder or a mental health condition. Under current law, a designation can be added for persons with a verified permanent physical disability.
