**Date** March 18, 2019

## Overview

This bill appropriates a total of \$300,000 over fiscal years 2020-21 from the general fund for grants to the transportation management organization program under the 494 Corridor Commission. The appropriation is to the Metropolitan Council, and the council is directed to provide grants by July 31 each year. The funds are available for administrative, programming, and service expansion expenditures.
