Overview

This bill contains appropriations totaling approximately \$128,000,000 from the outdoor heritage fund (OHF) as recommended by the Lessard-Sams Outdoor Heritage Council (LSOHC). The LSOHC is a 12-member council made up of four legislators and eight citizens tasked with making annual recommendations to the legislature on how to spend money in the OHF. The OHF is one of four funds established by the “Legacy” amendment which raised the state’s sales tax 3/8 of one percent and dedicated the receipts. The OHF receives 33 percent of those receipts and the money may be spent only “to restore, protect, and enhance wetlands, prairies, forests, and habitat for fish, game, and wildlife.”
